THE Secretary of State for War, having had under consideration various complaints of the inconvenience suffered by Officers of the General and Garrison Staff, in consequence of the prohibition to their employment of Soldiers as servants contained in Circular No. 193, has, with the concurrence of His Royal Highness the General Commanding in Chief, been pleased to withdraw such prohibition, and to allow in future to such Officers Soldier Servants under the regulations and restrictions in force previously to the date of that Circular.

He has also been pleased to direct that the pecuniary allowance in lieu of servants may be continued to Officers of the Royal Engineers whenever applicable, at the rate of 1*s.* 6*d.* a day, both at home and abroad.

CIRCULAR, No. 293.

War Office, 26th July, 1858.

IT being found that the provisions of Article 9 of the Royal Warrant of 1st July, 1848, which prescribe a daily settlement with Soldiers for their pay, are not always enforced in the case of Recruits between the period of their enlistment and final approval, Officers engaged in the Recruiting Service are reminded that a Recruit, after receiving enlisting money, is, under the terms of the Mutiny Act, a Soldier in Her Majesty's Service, and as such has a full claim to a daily settlement of his pay under the Regulation referred to.

No deviation from the rule is therefore sanctioned, nor can any charges be admitted in the Public Accounts which are not in strict conformity thereto.

General No. 8.

CIRCULAR, No. 295.

Sir, *War Office, 28th July*, 1858.

The Secretary of State for War having had under consideration the rate of allowance granted to Horse Dealers in aid of their expenses in conveying remounts to the Head Quarters of the Regiment for which they are purchased, has decided, with the concurrence of His Royal Highness the General Commanding in Chief, that the following shall in future be the rate of travelling allowance to the Dealer, viz., twopence per horse for every mile necessarily travelled from the place where the horses shall be inspected by the Officer to the Head Quarters of the Regiment.

It is to be understood that the existing rule of purchasing remounts in that portion of the United Kingdom in which the Regiment is stationed is to be abided by as much as possible; but when in any instance it can be shown that a departure from that rule will be more for the public advantage, a representation of the circumstances is to be addressed to His Royal Highness the General Commanding in Chief, in order that, if he concur therein, he may forward it for the approval of the Secretary of State, whose authority, if granted, will be conveyed to the Officer commanding the Regiment.

When horses are purchased in Ireland for a Regiment in Great Britain, or *vice versâ*, under such special authority, the actual and necessary expense of transit across the sea by the nearest and most practicable passage will be admitted in the public accounts in addition to the mileage from the place of inspection; but it is to be distinctly understood that the Dealer will be responsible for the risk and expenses incurred, should the horses be injured or prove unfit for service on arrival at the Regiment.

In every case in which the special authority of the Secretary of State above referred to shall be granted, a certified copy thereof is to be annexed to the Paymaster's accounts as one of the vouchers for the charges therein.

I have the honour to be, Sir,
Your obedient Servant,

B. HAWES.

To the Officers commanding Cavalry Regiments
and Battalions of the Military Train.

CIRCULAR MEMORANDUM, No. 296.

To commanding Royal Engineers and Barrack Masters at Home Stations.

War Office, 3rd August, 1858.

The accompanying Tithe Commutation Tables are transmitted with reference to the Certificate respecting Tithes required at the foot of the Form No. 19 attached to the Circular, No. 232, dated 13th March, 1858. By an inspection of the Tithe Commutation Award in the Parish Church the acreage of land in possession of the War Department liable to tithe and the amount of rent-charge may be ascertained. The amount actually payable fluctuates according to the average price of corn for the seven preceding years, and the Tables now forwarded are annually published to show the amount for the year. When necessary the Tithe Tables will be included in the annual demands for Stationery.

Commanding Royal Engineers and Barrack Masters are also directed to specify distinctly in all future agreements on letting War Department property that the tithes are to be paid by the tenant.

General No. 1.

War Office, 4th August, 1858.

SECRETARY Major General Peel being of opinion that the commuted allowances for Stationery established by the War Office Circular of 25th May, 1855, are sufficient for all the purposes of a Regiment, and that all correspondence on the subject of Musketry Training should be conducted by the Commanding Officer, has decided that a separate supply of Stationery for the use of the Musketry Instructor shall be discontinued.

The necessary printed Forms will be supplied by this Office as heretofore.

Regulations affecting Sick Pay to Civil Artificers, Foremen Labourers, &c., to be substituted for those contained in the "Ordnance Regulations, Home, 1855," Articles 149 to 156, which are hereby cancelled.

No Pay will be allowed to any Master Artificer, Foreman, Artificer, Labourer or other person rated as such who does not attend his call at the stated period and perform the work allotted to him, unless he is absent with the special permission of the Secretary of State, or in consequence of sickness, when the following rules are to be observed:—

1. Within three days of the expiration of each month, two separate Returns on the inclosed Forms are to be rendered; that marked A. to embrace all men who shall have been absent during such month in consequence of injuries received in the execution of their duty, or sickness clearly attributable to the nature of the work performed, and to be certified accordingly by the Head of the Department and the Medical Officer; and that marked B. to contain all men of three years' service and upwards, and of good character, who shall have been so absent, and whose illness shall not have been either caused as above or by their own misconduct. Master Artificers and Foremen will be inserted in both these Returns as a separate class, and will be eligible to receive the Full Pay of their rank. With respect to Artificers and Labourers, those included in Form A. will be eligible to receive their Full Pay, and those in Form B. will be eligible to receive a proportion of their Full Pay, not exceeding three-fourths.

2. No Pay during absence will be allowed to men who have served less than three years.

3. No man is to be continued on the Sick Pay List for a longer period than one month at a time, or to be allowed Full Pay, or any portion thereof, for a longer period than two months in any one year unless under peculiar circumstances to be specially reported for the decision of the Secretary of State.

4. Should any case of particular distress arise, wherein the sick man would be seriously inconvenienced by waiting until the end of the month, a separate Return on the appropriate Form is to be forwarded with a special Report; but in no instance is an advance of Sick Pay to be made without the specific sanction of the Secretary of State.

CIRCULAR, No. 299 (BARRACKS).
HOME STATIONS.

War Office, 6th August, 1858.

SECRETARY Major General Peel, having had under his consideration the existing Regulations respecting issues of Fuel and Light to the Army, has decided, with the concurrence of His Royal Highness the General Commanding in Chief, and with the sanction of the Lords Commissioners of Her Majesty's Treasury, that the following revised scales of issue shall be adopted, and that they shall take effect from the 1st September, 1858.

B. HAWES.

1. *Soldiers' Rooms.*

The quantity of Fuel and Light to be issued to the Troops is to be hereafter calculated according to the total actual strength of each Corps, after deducting detachments, recruiting parties and men in district prisons, but including casualties, such as men sick in hospital, confined in barrack cells, absent with or without leave, or detached on escort duty, or on any temporary command, provided such absence shall not exceed fourteen days.

It must, however, be clearly understood that no Non-commissioned Officer or Man receiving a separate allowance of fuel and light is to be included in the above computation of numbers or rooms.

The one-third allowance for the additional meal is to be calculated upon this revised number of men.

2. *Extra Issues of Fuel in Severe Weather.*

A discretionary power is hereby given to General Officers and to Officers Commanding Garrisons, Battalions or Regiments when there is no General or other superior Officer at the station, to authorize the temporary issue of Fuel (by one week's allowance at a time) on the Winter instead of the Summer scale, during any period in the last fortnight of October or in the first fortnight of May, if the weather should be then so unusually severe as to render it necessary for the health of the Troops that the Winter Allowance should be granted.

If the Summer Allowance for the week has been already drawn, the difference between the two allowances for the remaining days of the week (reckoning from the day on which the additional Fuel is required to the next usual issuing day) is to be drawn by a Supplementary Return.

3. *Extra Fuel for Guard Rooms.*

The Officers named in the foregoing paragraph are also, with reference to the General Order of 15th October, 1851 (H. G.—141), hereby granted a discretionary power of authorizing an increased issue of Fuel to Guards during very severe weather in the winter months, and also an issue during wet weather in the summer months, not exceeding in either case the 40 lb. a day specified in that Order.

The arrangements in this and the preceding paragraph will obviate the necessity of an application to the War Office through the Quartermaster-General for a special authority in each case.

5. *Serjeants' Messes.*

The following allowances of Fuel and Light are hereby authorized for Serjeants' Messes; viz.:—

One room's allowance for six or fewer dining members.

Two rooms' allowance for any number above six and not exceeding twelve.

Three room's allowance for any number exceeding twelve, together with the one-third additional allowance for the Evening Meal in each case; provided always, that the Serjeants have the accommodation of a kitchen as well as of a mess-room.

5. *Married Soldiers' Quarters.*

The issues of Fuel and Light to be made to the separate quarters that have, at some Stations, been permanently appropriated for married Non-commissioned

Digitized by Google

Officers and Men, have been already determined by Circular, No. 216, of the 19th February, 1858 (56—Gen. No.—92), but it has been decided, that the allowances of Fuel and Light authorized by that Circular shall also be made to any married Non-commissioned Officer or Soldier who shall happen to be temporarily accommodated with a room in Barracks; provided that the number of married men to whom these allowances are made does not exceed the proportion laid down by the Circular, No. 234, of the 19th March, 1858 (9656—1); and provided also, that no Non-commissioned Officer or Soldier is placed upon the lodging list in consequence of such occupation. It will, therefore, be necessary for the Barrack Master, in all cases of claims for lodging-money for Staff Serjeants of the 1st or 2nd Class, or for other Non-commissioned Officers and Men, to certify that they were not placed upon the Lodging List in consequence of any other Non-commissioned Officers or Men occupying a greater amount of accommodation than they are entitled to by the Regulations.

6. Pay Serjeants.

Half a room's allowance of Fuel and Light is sanctioned for the Pay Serjeant of each Troop or Company who may happen to be accommodated with a room in Barracks, provided the Lodging List is not affected by such occupation.

7. Wood.

The allowance of wood for lighting fires is hereby increased from three to six pounds per fire per week.

8. Officers' Messes.

Allowances of coals, wood and candles to Officers' Messes are to be made according to the annexed scale.

A pecuniary allowance in lieu of Fuel and Light is never to be granted to Regimental Messes in Barracks when those articles can be issued in kind, nor are candles to be issued if the Mess Establishment is lighted with gas.

9. Candles.

Tallow candles are to be discontinued for issue to Officers and Officers' Messes and their Offices, and the best composition candles are to be issued in their stead.

This alteration, however, is not to come into operation at any Station until the present stock of mould candles in store at the Station is expended.

10. Commuted Allowance to Officers living out of Barracks.

As a consequence of the addition sanctioned above in the allowance of wood, and of the substitution of composition for tallow candles, the commuted allowance in lieu of Fuel and Light to married Officers living out of Barracks with permission, and also to Officers entitled to issues, but living in Government buildings outside the Barracks, is hereby increased from 2*s.* 6*d.* per week per room to 6*d.* per day per room; but no augmentation is to be made to the rates of combined allowance in lieu, as well of Lodgings as of Fuel and Light, fixed by the Circular of the 1st September, 1856 (167 L—258), or by any other Order or Regulation, nor to the existing commuted rates for Offices or Storerooms.

11. Commuted Allowance in lieu of Coals, Candles, Straw and Brooms in Hut Barracks.

The additional third hitherto allowed over and above the commuted rates of allowance to Troops in Hut Barracks is to be discontinued, and the Field Batteries of the Royal Artillery and the Military Train, being mounted Corps, are, as regards these allowances, to be treated as Cavalry. It must, however, be clearly understood that no claim is to be preferred for the commuted Fuel and Light Allowance in respect of any Non-commissioned Officer or Man who may be living out of Hut Barracks with the permission of his Commanding Officer.

12. All the increased allowances granted by this Circular are to be looked upon as maximum quantities, and are not to be granted when it may be found that a smaller issue will suffice for the health and comfort of the Troops.

Engineers,

CIRCULAR, No. 300.

Foreign Stations.

War Office, 9th August, 1858.

Considerable inconvenience having arisen from the existing practice of deducting from the extra pay of Engineer Officers abroad the amount of stoppage to which they are liable when accommodated in public quarters, the Secretary of State for War has decided that the stoppage shall in future be paid by Engineer Officers into the Treasury Chest through the Barrack Master at the Station.

In the cases of Engineer Officers serving in the Australian Colonies who are permitted to receive extra lodging money, the sum to be issued under that head should be the difference between the rate authorized and the regulated stoppage.

General No. 105.

CIRCULAR, No. 303.

War Office, 18th August, 1858.

The attention of Commanding Royal Engineers is called to the practice of ordering extras upon works in progress.

Whether a work is being executed under a contract or not, the Commanding Royal Engineer is bound by the approved plan, specification and estimate, and is not to depart from or add to them without absolute necessity.

As, however, material improvements may suggest themselves to an Officer in the execution of a work, by which its cost may be diminished by the substitution of cheaper material or workmanship, or by the reduction of the dimensions of certain parts, and as, on the other hand, an evident increase of strength, convenience or efficiency may be at times attained for a comparatively moderate increase of expense, it is not wished to discourage Officers from proposing such alterations when they consider it desirable to do so, and even adopting the alterations on their own responsibility when they do not involve an alteration of design or an increase of expense, or when the cost of the alteration is compensated by a corresponding reduction in some other part of the same work. They must not take any steps involving an actual addition to the cost of the work without due authority, and as a rule such authority should be obtained, by a reference to the Inspector General of Fortifications, *before* the alterations are actually effected.

In urgent cases, however, the Commanding Royal Engineer may adopt alterations

of the character referred to on his own responsibility, but in such cases he is immediately to report having done so, and request a covering authority.

It must be understood in carrying on works by contract for a lump sum, that the amount voted by Parliament for a particular service is not to be considered as an authority to the executive Officer to expend that amount, such vote being merely a vote of credit given by Parliament to the Secretary of State for War; and even in works performed on a schedule of prices, or by day work, the 10 per cent. allowed for contingencies should generally be saved, for it is only from the balances produced by the excess of estimates over the actual cost of execution that it is possible to provide funds for the numerous unforeseen services which arise in the course of the year.

By direction of the Secretary of State the extent to which the Accountant General will hereafter pass claims on account of a contract will not exceed the amount of the accepted tender unless authority for further expenditure is given by the Secretary of State as above provided.

By Order.
H. C. OWEN,
Deputy Inspector General of Fortifications.

Horse Guards, S.W., 10th July, 1858.

A QUESTION having arisen as to whether the *Bands* of Rifled Muskets, Pattern "1853," should be browned in the same manner and at the same time as the Barrels, it becomes necessary to explain that the colour given to the Bands at first is by "*Blueing*," and is of a more durable nature than "*Browning*," and that in order to re-blue them they require merely to be heated in a little charcoal dust, or held over a coke fire. This method is preferable to browning, and it is such a simple and inexpensive operation that whenever the Armourer Serjeant is paid for browning a Barrel, the service should include the blueing of the Bands, without any extra charge, the present allowance (1*s.*) being considered sufficient to cover both services.

General No. 109, A.—40. Military Train, 4.

Horse Guards, S.W., 13th July, 1858.

The General Commanding in Chief desires that the following may be substituted for paragraph 6 of the "Regulations for the Guidance of Officers commanding Detachments of the Military Train," issued from the Adjutant General's Department on the 17th June, 1857, viz.:—

"6. The men of the Military Train are to have nothing to do with loading and unloading the waggons, and the whole of the labour required is to be furnished by the Troops. Commanding Officers will therefore, on the arrival of the Train, immediately detail fatigue parties for the purpose. Barrack Masters will also make immediate arrangements for carrying out the duty as far as their Department is concerned.

"It must, however, be clearly understood that the method of packing, as well as the size and weight of the articles to be carried on each waggon, &c. &c., should be decided by the Officer or Non-commissioned Officer commanding the Detachment of the Train, and the work performed under his superintendence.

"Care should also be taken that the Train is not unnecessarily detained, and any complaint on this point is to be made at once in writing to the Assistant Quarter-master General, who will refer the question to the proper Department."

The above alteration is to be made in manuscript in the filed copy of the Regulations alluded to.

Horse Guards, S.W., 24th July, 1858.

His Royal Highness the General Commanding in Chief desires Officers commanding Regiments and Depôts to render, with the least possible delay, a Return of the number of men flogged in the Corps under their command during the year 1857, specifying the date, the Station, the offence, the sentence and the number of lashes inflicted in each case.

GENERAL ORDER, No. 711.

Horse Guards, S.W., 19th July, 1858.

The remissness of Commanding Officers in not causing Officers recommended for promotion, by purchase or otherwise, to be examined and reported upon in due time has produced much inconvenience to the Service, and unavoidable injury to the interests of individuals by retarding their promotion.

The General Commanding in Chief desires that the examination of Officers, whether first for promotion in succession or by purchase, may take place as soon as they are fit, and that the Reports of the Board of Examiners be sent to the Military Secretary without reference to expected vacancies.

The Board of Examiners should, when practicable, be composed of Officers not belonging to the same Corps as the Candidate, and the examination conducted by written questions, which, with the replies, are to accompany their Report.

Circumstances of Service may occur in which it would be difficult, if not impossible, to assemble a Board for Examination; in such cases a certificate, duly vouched by the Commanding Officer, to the effect that the Officer is qualified for the advanced step in rank, will be accepted; but under no circumstances is the General Commanding in Chief to be left in ignorance of the qualifications of Officers first for promotion.

The strictest attention to this Order is enjoined, for the observance of which Commanding Officers will be held responsible.

By Order of His Royal Highness,
The General Commanding in Chief.

G. A. WETHERALL,
Adjutant General.

CIRCULAR MEMORANDUM.

Horse Guards, S.W., 19th July, 1858.

The following regulations in regard to the examination of Officers, preparatory to promotion in the Army, are to be substituted for those promulgated by the Circular Memorandum of the 14th May, 1850, and that of the 4th July, 1851.

The qualifications required of Candidates for Commissions will be made known to their friends, and the time and place of examination will be stated in each case, so that the same may take place before any Commission is granted.

Before Officers are recommended for promotion to the rank of Lieutenant, the Commanding Officer is to have them examined by a Board of Officers, consisting of himself, another Field Officer (if there should be one present with the regiment,

and the Senior Captain, and, if there should be no second Field Officer present with the regiment, then the two Senior Captains present.

This Board is to report to the Military Secretary, for the information of the Commander in Chief, that the Officers about to be recommended for promotion to the rank of Lieutenant, have been instructed on the following points, viz.:—

1. They must have a perfect acquaintance with the Standing Orders of the Regiments in which they are serving.
2. They must have a thorough knowledge and must give an account of the duties they have to perform as Regimental Orderly Officers, as Officers commanding Guards, or as Subaltern Officers of Guards under Officers of superior rank.
3. They must be able to put a Company through the Manual and Platoon Exercise, and be capable of exercising both a Squad and a Company in the Drill and Evolutions as prescribed in the first two parts of the Regulations for the Field Exercise of the Infantry.
4. They must know exactly the place of all the Company Officers in every situation of the Battalion, whether in Line, Open, Close, Quarter or Half Distance Column, and whether Right or Left in Front.
5. They must be acquainted with the General Regulations and Orders of the Army and with the Mutiny Act and Articles of War.
6. They must be acquainted with the Queen's Regulations and Warrants in regard to the supply of necessaries to the Troops, with the price of each article, and the regulations applicable to the same.
7. They must know the weight of the knapsack, the weight of the soldier's firelock, with and without the bayonet, of his pouch, with and without ammunition, the quantity of ammunition it is calculated to carry, and the weight of his accoutrements.
8. In addition to such portions of the above as may apply to the Cavalry Service, the Cornets must be required to be well acquainted with their Stable and Barrack duties, to have completed their course of instruction in the Riding School, and to be able to exercise a Troop both on foot and mounted.

Lieutenants who may have entered the Service subsequently to July, 1849, and all who may hereafter enter the Army, will, in addition to the above, before they are recommended for promotion to the rank of Captain be required to have—

9. A knowledge of Geography, so as to be able to state the general divisions of the world, the name of the capital of each nation in Europe, and the principal rivers, sea-ports and military posts in Great Britain, Ireland and Her Majesty's dominions in every part of the world.
10. They must be perfectly acquainted with the forms and proceedings of Courts Martial.
11. They must have studied some of the standard works on Courts Martial.
12. They must understand perfectly the Evolutions of a Battalion of Infantry or Regiment of Cavalry, as laid down in the regulations for those services respectively.
13. They must be acquainted with the Light Infantry Drill.
14. They must perfectly understand the interior economy of a Troop or Company, the regulations for the messing and subsistence of the Soldiers, and the established system of keeping their accounts.
15. They must be acquainted with the Royal Warrants which regulate the Pay, Provisioning, Pensions, Rewards, Periods of Service, Clothing and Equipment of the Soldier.
16. They must be acquainted with the General Regulations and Orders of the Army; more particularly with those for the government and management of the Troops embarked in transport and convict ships.
17. And it must be ascertained that they are competent to take charge of a Company or Detachment in every position in which it may be placed.

The examination of Officers for the rank of Captain, as far as relates to matters of regimental economy, detail or discipline, is to be made by Boards of Officers to be appointed by the Commanding Officer at the Station, consisting, when possible, of three senior Officers not belonging to the same corps as the candidate for examination, and a report thereon is to be forwarded to the Military Secretary.

By Order of His Royal Highness,
The General Commanding in Chief.

5. The Lieutenant-Colonel and Major of a Depôt Battalion, being specially appointed by Her Majesty, are not to be interfered with in the performance of their duties by any Officer belonging to their Battalion, although he may be of superior rank by Brevet.

6. Officers of Depôt Battalions are to be placed on the Battalion Duty Roster according to the date of their Army Substantive Rank; but on all parades of the whole Battalion, or of more than one Depôt, in the absence of the appointed Field Officers, the Senior Officer, whether by substantive or Brevet Rank, will take command. These directions are not intended to interfere with the classification of Officers of Depôts when acting singly.

8. Commanding Officers of Regiments and Depôts, in carrying out the provisions of the Acts of Parliament specified in the margin, for "limiting the time of Service in the Army," are to cause the records of the services of Soldiers desirous of renewing their engagement to be closed up to, and inclusive of, the day on which such engagement expired, or is about to expire, as in the case of a Soldier transferred from one Corps to another. The record is then, in like manner, to be re-commenced as follows:—

10 & 11 Vict. c. 37, passed 21 June, 1847.

18 Vict. c. 4, passed 27 February, 1855.

In order more effectually to assist the Commissioners of Chelsea Hospital in determining the pensions of Soldiers discharged as invalids, a copy of the charge, finding and sentence of each Court Martial by which an individual may have been tried is to be inserted on the first page of the proceedings of the Regimental Board, which can be prolonged, if necessary, by attaching thereto additional paper. In cases where injuries have occurred from accident, either on or off duty, a copy of the finding of the court of inquiry held to investigate the case is invariably to accompany the discharge documents, and Medical Officers are to be careful in all cases to describe, not only the disability itself, on account of which the man is recommended for discharge, but the cause and origin thereof, and whether attributable to military duty, climate, constitutional predisposition or accident, together with the circumstances under which it occurred, whether on or off duty. If the cause is unknown or cannot be traced, it should be so stated.

The application is to be accompanied by a copy of the charge, finding and sentence, descriptive return, statement of services, extract from regimental defaulters' and court martial book, and a certificate from the Surgeon that the prisoner cannot, for the reason assigned, gain re-admission into the service. If the recommendation be approved, the form prescribed in par. 23 is to be gone through before he is permitted to leave his Regiment; and in all cases where a Soldier is to be discharged at the termination of his imprisonment, the discharge documents are to be completed, and the parchment certificate is to be transmitted by the Commanding Officer to the governor of the prison in time to be given to the prisoner on his release.

and record the cause of the loss. If the Board be of opinion that the man has designedly made away with or pawned his medal he is to be tried by Court Martial; and, if convicted, put under stoppages, and the amount is to be credited to the public. After five years' absence from the regimental defaulters' book the offender may be recommended to the Commander-in-Chief for a new medal on again paying the value thereof.

37. If the loss be proved to have occurred from carelessness or neglect, the loser may be recommended to the Commander-in-Chief for a new medal at his own expense after two years absence from the Regimental Defaulters' Book.

38. If the loss be accidental the loser may be recommended at once for a new medal, either at his own expense or that of the public, according to the circumstances of the case; it being understood that, in order to justify the replacement of a medal at the public expense, the loss must be proved to have occurred on duty by some accident entirely beyond the control of the loser; in all other cases, such as the loss of a medal cut from a tunic or stolen from a Soldier's person, the loser must pay for it himself.

39. The Board is invariably to call for evidence as to the character of Soldiers who lose their medals, and when no testimony regarding the loss is produced beyond the loser's own assertion, the Board, except under very special circumstances, which it will record in its finding, is to deal with the case as if it were proved that the loss occurred from neglect.

40. When the Board does not recommend a medal to be replaced at once, the proceedings are not to be forwarded to Head Quarters until the prescribed time has elapsed, according to the regulations above given for making the application.

16. All Official Orders and Memoranda having reference to the proceedings of Military Tribunals are to be laid before Courts Martial when sitting. The minutes of the proceedings of all Courts Martial are to be fairly and accurately recorded, in a clear and legible hand, without erasures or interlineations; the pages are to be numbered, and the sheets (when more than one) are to be stitched together. A certificate, in the handwriting of the Medical Officer, according to a prescribed form, showing the state of health of the prisoner, and whether he has or has not been marked D, is invariably to be attached to the proceedings. When the Court abstains from sentencing a Deserter to be marked D, a separate letter, stating the reasons, and signed by the President, is also to be appended. The same course is to be followed when a Court abstains from sentencing a Soldier to forfeiture, under the 28th clause of the Mutiny Act, of pay or pension, medals, annuity or gratuity; and whenever a Court Martial is re-assembled for the purpose of revising its proceedings, the letter, order or memorandum (or a copy thereof) containing the instructions to the Court, and the reasons for requiring the revision, is to be attached to and form part of the proceedings; and care is to be taken that sufficient space is left immediately below the signature of the President for the signature and remarks of the confirming authority.

THE VICTORIA CROSS.

The following Officers and Men have been awarded the above Decoration in addition to those whose Names were published in "*The Monthly Army List*" for March, June, July, October and December, 1857, and January, February, May and July, 1858.

War Office, 23rd August, 1858.

The Queen has been graciously pleased to signify her intention to confer the Decoration of "The Victoria Cross" on the under-mentioned Officer and Non-commissioned Officers who have been recommended to her Majesty for that Decoration on account of acts of bravery performed by them in India, as recorded against their several names, viz.:—

66th (Ghoorkha) Beng. Nat. Inf.—Lieutenant John Adam Tytler.—Date of act of bravery, 10 February, 1858.

On the attacking parties approaching the enemy's position under a heavy fire of round shot, grape and musketry, on the occasion of the action at Choorpoorah, on the 10th of February last, Lieutenant Tytler dashed on horseback ahead of all, and alone, up to the enemy's guns, where he remained engaged hand to hand, until they were carried by us; and where he was shot through the left arm, had a spear wound in his chest, and a ball through the right sleeve of his coat. (*Letter from Captain C. C. G. Ross, commanding 66th (Ghoorkha) Regiment, to Captain Brownlow, Major of Brigade, Kemaon Field Force.*)

37th Beng. Nat. Inf.—Serjeant-Major M. Rosamond.—Date of act of bravery, 4 June, 1857.

This non-commissioned officer volunteered to accompany Lieutenant Colonel Spottiswoode, commanding the 37th Regiment of Bengal Native Infantry, to the right of the lines, in order to set them on fire, with the view of driving out the Sepoys, on the occasion of the outbreak at Benares on the evening of the 4th of June, 1857; and also volunteered, with Serjeant Major Gill, of the Loodiana Regi-

ment, to bring off Captain Brown, Pension Paymaster, his wife and infant, and also some others, from a detached bungalow into the barracks. His conduct was highly meritorious, and he has been since promoted.

Loodiana Reg.—Serjeant-Major PETER GILL.—Date of act of bravery, 4 June, 1857.

This non-commissioned officer also conducted himself with gallantry at Benares on the night of the 4th of June, 1857. He volunteered with Serjeant-Major Rosamond, of the 37th Regiment of Bengal Native Infantry, to bring in Captain Brown, Pension Paymaster, and his family from a detached bungalow to the barracks, as above recorded, and saved the life of the Quartermaster-Serjeant of the 25th Regiment of Bengal Native Infantry in the early part of the evening, by cutting off the head of the Sepoy who had just bayonetted him. Serjeant-Major Gill states, that on the same night he faced a guard of twenty-seven men, with only a sergeant's sword; and it is also represented that he twice saved the life of Major Barrett, 27th Regiment of Bengal Native Infantry, when attacked by Sepoys of his own regiment.

42nd Regiment.—Colour-Serjeant WILLIAM GARDNER.—Date of act of bravery, 5 May, 1858.

For his conspicuous and gallant conduct on the morning of the 5th of May last, in having saved the life of Lieutenant-Colonel Cameron, his commanding officer, who during the action at Bareilly on that day had been knocked from his horse, when three Fanatics rushed upon him. Colour-Serjeant Gardner ran out, and in a moment bayonetted two of them, and was in the act of attacking the third when he was shot down by another soldier of the regiment. MEMORANDUM.

ARTIFICIAL ARMS AND LEGS.

THE Lords and others Commissioners of Chelsea Hospital having at the suggestion and recommendation of the Secretary of State for War, made Arrangements for the supply of Artificial Arms (constructed upon an improved principle) and of Artificial Legs (in imitation of the natural leg, both as to form and motion) to those Commissioned Officers who have been wounded in the Service, whose means may not enable them to provide themselves with more expensive contrivances,—it is hereby notified, that such Officers who may be desirous of availing themselves of this benefit, and whose cases may come within the above regulation, should address their applications upon the subject to the Secretary of Chelsea Hospital. It is, however, to be clearly understood, that, as this is intended to be a boon to Officers of the above description, no pecuniary allowance in lieu can be granted to Officers who may prefer providing themselves with other substitutes for limbs.

MEMORANDUM.

FIELD OFFICERS *who have retired from the Service by the Sale of their Commissions, and wish their Names to be restored to and retained in the* ARMY LIST *in Italics, will be pleased, in their Applications for this Privilege to the General Commanding in Chief, to state the Dates of their last Commissions, Brevet as well as Regimental, and also that of their Retirements.*

HORSE GUARDS,
29th May, 1855.

ALL FIELD OFFICERS *whose names are allowed to be retained in the* ARMY LIST, *whether they may have sold out since or previously to the issuing of Her Majesty's Royal Warrant of the 6th October*, 1854, *shall send a Certificate to Her Majesty's Secretary-at-War of their being alive on the 1st January and the 1st July of each year.*

If such Certificate due on the 1st January be not received at the War Office by the 1st April, and that due on the 1st July by the 1st October, it will be concluded that the Officer is deceased, and his name will be removed from the ARMY LIST.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, May 10, 1855. (Signed) CLARENDON.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.
If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.
A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.
When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.
Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, May 10, 1855. (Signed) CLARENDON.

WARRANTS, CIRCULARS, &c.

30, No. 301.
General No. 39.

INSTRUCTIONS FOR PAYMENT OF THE ROYAL ARTILLERY AND ROYAL ENGINEERS.

War Office, 10th August, 1858.

THE Paymastership of the Royal Artillery and Royal Engineers held by Messrs. Cox and Co. will cease from the 1st October next.

1. The Payment of all Troops and Companies at home and abroad, including Master Gunners and Tower-keepers, will be made by Paymasters appointed for the purpose, by Troop and Company Officers, and by Adjutants of Detachments.

2. Such payments will include various services in addition to pay, now disbursed by Messrs. Cox and Co., and not to be continued in their payments, such as—

Purchase of Horses,
Carriage of Baggage,
Travelling Expenses,
Forage Allowance,
Command Pay,
Contingent Allowance, &c., &c.

3. Quarterly Battalion Pay Lists will be prepared by the Paymasters from Monthly Company Pay Lists, and from other sources. They will also prepare all other accounts that may be required for services not coming through the Battalion Pay Lists.

4. They will also correspond with Company and other Officers, with the War Office, &c.

5. For carrying out the above services, the following regulations are to be adopted :—

6. The Regiment of Artillery, for the purpose of payment, will be divided into three Divisions.

The First Division will consist of the Horse Artillery, Riding House Troop, Adjutant's Detachment Field Batteries, Invalid Detachment, Master Gunners, Tower-keepers, additional Gunners at Jamaica, Gun Lascars at Hong Kong, and other miscellaneous services and individuals not included in the Battalions.

The Second Division will consist of the first seven Battalions, and

The Third Division of the second seven Battalions.

The Corps of Royal Engineers will form a *Fourth Division*.

Each of these Divisions will have a Paymaster. Captains of Troops and Companies, and Adjutants commanding Detachments will act as Sub-Accountants to the Paymaster of the Division of which their Troop, Company or Detachment forms a part.

AT HOME.

7. For payment of that portion of his Division which is serving at home, the Divisional Paymaster will be supplied weekly with the necessary funds through the Paymaster General. The Troops, Companies and Detachments *not* at Woolwich or Chatham will be supplied with cash, by bills drawn on the Paymaster General on a prescribed form, or through the Revenue Departments or Bank of Ireland, as may be found most convenient, according to the Station.

8. The Divisional Paymaster will, on the 10th of each month, or earlier, if found necessary, render to this Office an estimate of the sums required for the ensuing

month; such estimate to be made up from the estimates furnished to him by the several Officers commanding Troops, Companies, &c., and will, at the termination of each quarter, prepare a consolidated Pay List of each Battalion, &c. composing his Division. He will also make up Monthly Accounts Current of his receipts and disbursements for each Battalion, &c. for the information of this Office.

9. Captains of Troops and Companies and Adjutants commanding Detachments will prepare monthly estimates of the sums required for their respective Companies, &c., which they will deliver or send to the Paymaster of their Division on or before the 5th of the month preceding that to which the estimate applies.

ABROAD.

10. The amount of the monthly estimate prepared by the Officer commanding the Troop or Company abroad, after approval by the Commanding Officer of the Corps and the Comptroller of Army Expenditure on the Station, will be drawn from the Cash Accountant. This estimate should include all Detachments belonging to the Company, &c., to which the Officer commanding such Company will remit the money required for payment of the men agreeably to the War Office Instructions for the conduct of cash business abroad, dated 19th October last.

GENERAL.

11. Officers commanding Troops or Companies are to deliver or send direct to their Divisional Paymaster their Monthly Pay Lists, accompanied by the prescribed vouchers, if serving *at home*, before the *third* day of the following month, or, if serving *abroad*, by the *earliest* opportunity after the expiration of the month to which the Pay List applies. The Pay List is to be examined by the Paymaster immediately after its receipt, and should any inaccuracies be found therein, the same should at once be pointed out to the Officer, and the difference immediately adjusted.

12. New Forms of Pay Lists, Muster Rolls and of every description of voucher required from Captains of Troops and Companies, &c. have been prepared on the Line system, supplies of which, together with a specimen Pay List filled up for their guidance, will be transmitted to the several Stations at home and abroad, with a view to their adoption from the 1st October next.

13. The muster of the different Troops, Companies and Detachments at home and abroad will continue to be taken by Civil Officers as at present, under the regulations in Circular No. 227, dated 9th March, 1858, with the exception of the Troops, Companies and Detachments at Head Quarters (Woolwich and Chatham), which will be taken by the Divisional Paymasters.

14. The Monthly Muster Rolls hitherto sent to the Accountant General will be forwarded to the Divisional Paymasters for the verification of the Pay Lists, after which they will be handed over to the Adjutant of the Battalion to be lodged in his office for general reference.

15. Many minor details will, doubtless, arise hereafter, but which cannot be fully provided for until the duties commence. It is considered, however, that this outline will in the meanwhile be sufficient for the commencement of the new system.

16. A List of the several documents to be used under the new system is annexed.

17. Any over or short charges which may remain unsettled in the Troop or Company Pay Lists for September next are not to be brought into account in the October Pay List, but are to be adjusted between the Officers commanding and Messrs. Cox and Co.

Amounts due from one Officer to another not to appear in Estimates.

2. Amounts due *to* or *from* Officers commanding Troops, Companies or Detachments on account of men transferred, &c. are not to be included in the Troop, Company or Detachment Estimate, but in the general state of the Pay List, and this mode of settling is to be resorted to *only* when the matter cannot be arranged in any other way.

Good Conduct Returns.

3. When claims are made for Good Conduct Pay, W. O. Forms O. 143 and 144 are to accompany each Troop or Company Pay List (except when the claim is for a back period, *vide* note at the foot of last-mentioned Form), the records of service being furnished by the Officer commanding the Battalion at Head Quarters, upon a requisition from the Divisional Paymaster.

Transfer Reports.

4. The particular attention of Officers commanding Troops, Companies and Detachments is called to the No. 1 Report (Original W. O. Form O. 95a, Duplicate W. O. Form O. 95b), it being expressly provided by the War Office Explanatory Directions, Par. 52, Art. 170, that "no pay or allowance is to be issued by a Paymaster to men joining a Regiment or Detachment either at home or abroad, without the production of a Report (Form No. 1) from the Accountant, by whom they had been previously subsisted, certifying the date to which the men had been actually settled with." The Officer commanding the Troop, Company or Detachment from which any man may be transferred, having transmitted the Original No. 1 Report to the Officer commanding the Troop, Company or Detachment receiving such man will annex the Duplicate to the Pay List in which his name last appears.

Account of Men subsisted in Barrack or Garrison Cells.

5. The Quarterly Account of men subsisted in Barrack or Garrison Cells, W. O. Form 290, is to be forwarded with the Troop, Company or Detachment Pay Lists for the months of March, June, September and December.

Pay of certain Men belonging to the R. E. Field Equipment Corps.

6. Of the pay of certain men belonging to the Royal Engineer Field Equipment Corps the ordinary rate, viz., 1*s.* 5*d.* per diem, is to be charged in the body of the Pay List in common with the pay of other men of the Troop, the difference (3*d.*) being charged in the Troop Pay List at the foot of the Form of Recapitulation of Pay, and a separate statement annexed showing the names and regimental numbers of the men in question.

Pay Lists.

7. The Troop and Company Pay Lists hitherto sent to the Adjutant at Head Quarters to be discontinued.

CIRCULAR, No. 302.

FOREIGN STATIONS.

War Office, 25th August, 1858.

MUCH inconvenience having been experienced in obtaining certificates from merchants at Foreign Stations as to the reasonableness of the prices paid for Stores supplied and rates of wages paid when not included in any contract, the Secretary of State for War has decided that merchants' certificates shall be dispensed with, and directs that in lieu thereof certificates, signed by two Officers of the Department to which the service is rendered, shall be attached to the vouchers that the prices charged are fair and reasonable, and do not exceed the rates current at the Station.

The Controller of Army Expenditure is to report annually on the 1st January the current rate of wages paid by private individuals to artificers and labourers at the various Stations in the Command.

SIR,

War Office, 30th August, 1858.

WITH reference to Commissariat Circular, No. 159, of 20th October, 1857, and in order to avoid unnecessary clerical labour, expense of postage, stationery, &c., I am directed by Secretary Major General Peel to desire that the separate Returns of Extra Issues, as required by the Circular above referred to, may be transmitted to this Office in one covering letter. When no Extra Issues are made during any particular quarter, the same should be reported in one letter.

I am, Sir, your obedient Servant,

General No. 4, 12.

CIRCULAR, No. 306 (BARRACKS).
FOREIGN STATIONS.

War Office, S.W., 2nd September, 1858.

SECRETARY Major General Peel has decided on assimilating the system of letting Canteens abroad with that now in force at home, and has directed the following regulations on the subject to be issued for your guidance:—

Each Canteen is to be let to a respectable tenant at a weekly rent, to be calculated from the annual rent paid for the same as a dwelling, but no additional sum as privilege money is to be paid by the tenant, as has hitherto been the practice.

The tenant is to sell only such articles as shall be approved by the Officer appointed to inspect the Canteen by the Secretary of State or his representative, and the articles are to be of such quality, and to be sold at such prices, as shall be approved by the Officer aforesaid.

Schedules of the articles to be sold and of their prices are to be affixed in conspicuous places in and about the Canteen; these Schedules to be revised from time to time by the Officer appointed for that purpose, and visits are also to be periodically made to the Canteen to see that the Schedules are such as have been approved, and that the articles sold are of good quality.

In the event of any complaint being preferred against the Canteen Tenant, which upon investigation shall prove to be well founded, it shall be in the power of the Officer commanding, as representative of the Secretary of State, to eject the Canteen Tenant, and receive possession of the premises, on giving the Canteen Tenant seven days' notice. In every such case a special report of the circumstances to be made to the Secretary of State.

In the event of the Officer commanding being entirely satisfied with the conduct of the present Canteen Tenant, he may, with the consent of the tenant, cause an agreement in the inclosed Form for holding the Canteen according to the new system to be entered into immediately on the commencement of the next financial year, the former lease being then cancelled.

If the tenant should not agree to this course, or if the Officer commanding is not so well satisfied with his conduct as to wish to continue his holding under the new system, the arrangement at present in force is to prevail until the termination of the present lease.

The nominations of tenants to Canteens will be vested in the hands of the Officer commanding, agreeably to the spirit of Circular No. 249.

The Secretary of State relies on the Officer commanding to take care that the Soldier receives the utmost benefit possible from this arrangement, which causes a heavy loss to the public revenues; and he considers that it will be desirable that a Board of Officers, of whom the Barrack Master will be one, should assemble not less frequently than once a quarter, to compare the Canteen prices with those prevailing at the Station, and to see that there is such a difference between the two as may fairly be expected from the Canteen tenants being excused the payment of privilege money.

Forms of the Schedules of Articles in use at Home Stations are inclosed for information and guidance in drawing out similar documents at Foreign Stations.

Memorandum for commanding Royal Engineers at Home Stations.

War Office, 6th September, 1858.

COMMANDING Royal Engineers are informed, with reference to Section 9, Article 30, of the Engineer Code, that it will not be necessary for them to insert in future Annual Estimates items for the provision of Fuel and Candles for the Royal Engineer Offices under their charge, as these Stores will be supplied by the several

Barrack Masters when the Offices are in Barracks, in accordance with the Barrack Regulations.

When, however, Engineer Offices are not in Barracks, Commanding Royal Engineers will take care to forward their Annual Statements (B. No. 11, W. O. Form No. 1,160) of quantities of Coal and Candles required, as directed in Circular Order, No. 279, that provision may be made for the supply by contract as hitherto; but the expense will be chargeable to the Vote for Fuel and Light, and not to the Votes for Works.

MEMORANDUM, No. 308.

BARRACKS.

Commanding Engineers at Home Stations.

War Office, 7th September, 1858.

In connection with the Circular Memorandum to Commanding Royal Engineers, No. 166, dated 29th October, 1857 (7,626—2),

The Secretary of State for War has empowered the Commission therein alluded to to direct the immediate execution of such works as may appear to them to be necessary for the ventilation, warming, lighting, draining and sewering of, and the securing a sufficient supply of good water for, such Hospitals and Barracks as they may inspect, provided that the cost of such works does not exceed a sum equal to 100*l.* for each Barrack with its Hospital so inspected, and for each General Hospital.

Commanding Royal Engineers are therefore authorized to execute services (under the above limitation) at the several Barracks and Hospitals in their charge, on the requisition of the Commissioners, without further reference to this Office.

They will, however, report to the Inspector General of Fortifications the nature and extent of works so executed.

The bills for these works will be transmitted in the usual manner, quoting as authority the specific order which may be given upon the above Reports to the Inspector General of Fortifications, and headed "Chargeable to Barrack and Hospital Improvements."

CIRCULAR, No. 309.

HOME STATIONS.

War Office, 7th September, 1858.

It having come to the notice of the Secretary of State for War that, in the performance of small urgent services connected with works and buildings, inconvenience occasionally arises from the delay consequent upon the necessity for obtaining the prior sanction of the Secretary of State to the expenditure requisite, Secretary Major General Peel has determined to vest in the hands of General Officers commanding Districts at home the power of directing the immediate performance by the Commanding Royal Engineers in their Districts of such small works as they may consider to be urgently necessary, and for the want of the immediate performance of which the interests of the Service would manifestly suffer.

On a General Officer proposing thus to execute any work on his own authority, he will call upon the Commanding Royal Engineer for a report and estimate thereon in duplicate; and on his being furnished with these documents, he will attach his signature of approval and order for execution thereto.

One copy he will then transmit by an early opportunity to the Quartermaster General, accompanied by a letter explanatory of the circumstances which induced him to order, on his own responsibility, the execution of the work, for the information of His Royal Highness the Commander in Chief, by whom it will be transmitted, with his own recommendation, for the covering sanction of the Secretary of State for

War. The second copy he will return to the Commanding Royal Engineer, to be by him retained as a voucher for the expenditure.

In now entrusting to General Officers commanding these new powers, Secretary Major General Peel would desire it to be clearly understood that they should be exercised with much caution, and that they should be acted upon only when the urgency of the Service is such as will clearly not admit of the delay of a previous reference to the authorities in London.

HOME STATIONS.

War Office, 7th September, 1858.

THE inclosed copy of a Circular addressed from this Office to General Officers commanding Districts* at home, empowering them to order, through the Commanding Royal Engineers of their respective Districts, the immediate execution of such small work as they may consider to be urgently necessary, is herewith transmitted for the information and guidance of the Commanding Royal Engineer.

On the completion of any work that may have thus been ordered by a General Officer commanding, the Commanding Royal Engineer will immediately report to the Inspector General of Fortifications the circumstances of the case, together with the amount of the estimate furnished by him to the General Officer commanding, and with the amount actually expended in the execution of the work.

CIRCULAR, No. 311.

SIR, *War Office, 8th September*, 1858.

WITH reference to the Circular from this Department, No. 179, of the 26th of November last,† I am directed by the Secretary of State for War to transmit herewith, for your information and guidance, a copy of a Circular Memorandum which has been issued by the Lords Commissioners of the Admiralty, setting forth the Regulations which their Lordships have adopted, so far as the Royal Navy is concerned, with regard to the issue of duplicate War Medals and Clasps.

You will be guided by the rules laid down in the inclosed Circular, in the case of any applications for new Medals and Clasps which may be preferred by Naval Pensioners resident within your District.

CIRCULAR, No. 330.

(DUPLICATE MEDALS AND CLASPS.)

Admiralty, 1st July, 1858.

MY Lords Commissioners of the Admiralty have been pleased to approve of the following regulations respecting the issue of duplicate Medals and Clasps for the under-mentioned services, to replace those lost or stolen, viz.:—

Medals for the Campaign in the Crimea.
" " " Baltic.
Clasps ... ... Sebastopol.
" ... ... Inkerman.
" ... ... Balaklava.
" ... ... Azoff.

Duplicate Medals and Clasps will be issued to those *only* who have *not* left the Naval or Marine Service, or to Pensioners, or to persons who, after having left the Navy, joined and are still serving in the Army.

In cases of the loss having been sustained by Officers and Men *in the performance of their duties*, in the strictest sense of the term, the loss will be made good free of charge, provided satisfactory evidence is produced that the loss occurred under circumstances beyond their control; but in cases of loss while they were not on duty, the loss can only be replaced on payment of the price of the Medal or Clasp.

A Medal or Clasp cannot be replaced if the original was lost through negligence or misconduct.

A claim cannot be entertained beyond two years after the loss occurred.

Every application, accompanied by a Certificate in the annexed Form, must be made through the Commander of the Ship on board of which the applicant is serving, the Colonel Commandant of the Division of Royal Marines to which he belongs, or, in the case of a Pensioner, by the Staff Officer of the District in which he resides; and in such Certificate must be stated the description of Medal or Clasp lost, the name of the Ship for which it was awarded, and whether or not the applicant was at the time of the loss in the execution of his public duty.

As the duplicate Medal or Clasp will be issued on these Certificates only, great caution should be used in granting them, as the Commanding Officers will be held responsible that duplicates are not obtained improperly.

Form of Certificate.

I hereby certify, that —— has this day appeared before me, and stated that he has lost ——, which was issued to him for his services on board Her Majesty's Ship ——, that I have caused the case to be thoroughly investigated, and from the evidence produced I am satisfied that the loss was sustained under circumstances beyond his control, and not through any misconduct or negligence on his part; further, that at the time he was * in the execution of his public duty.

Given under my hand this —— day of ——.

By Command of their Lordships.

To all Commanders in Chief, Captains and Commanding Officers of Her Majesty's Ships and Vessels.

BARRACKS.

Memorandum for Commanding Royal Engineers, Home Stations.

War Office, 10th September, 1858.

REFERRING to Section 8, Article 9, of the Royal Engineer Code, wherein is laid down the amount of cubical space per man to be provided in Barracks and in Hospitals,

Digitized by Google

The Secretary of State for War, having recently had this subject under his consideration, has approved of the principle of allowing to each man in his Barrack Room a minimum space of 600 cubic feet, and to each patient in Hospital a minimum space of 1,200 cubic feet.

He has also approved of the principle of the provision of day-rooms in Barracks, wherein the men can take their meals, in lieu of their sleeping rooms as at present.

Secretary Major General Peel, though not at the present moment prepared to authorize a general revision of the accommodation in existing Barracks to carry out these principles, desires, nevertheless, that in all future constructions accommodation be provided in accordance therewith.

The same is notified for the information and guidance of Commanding Royal Engineers.

CIRCULAR MEMORANDUM, No. 316.

War Office, 15th September, 1858.

THE increased use of railway conveyance throughout the country rendering it necessary to renew the Instructions under which the prescribed Forms of Warrant for conveyance of the Military are permitted to be issued, strict attention is enjoined to the following Rules in connection with the Instructions included in the Railway Regulations of 5th of June, 1846, and the Circular Letter, No. 1,029, of 24th of August, 1849:—

1st. Subject to the restrictions specified in the last-mentioned Circular, Warrants are only to be issued as a general rule when the railway fares cannot be conveniently or safely entrusted to the persons for whom conveyance is required.

2nd. The numbers to be conveyed are to be invariably inserted (in words) on the face of the Warrant, and the Regiment and names of the party upon the indorsement; but when the latter are too numerous, the name of the person in charge and the number (in words) of each rank under his charge will be sufficient. All erasures or alterations by the issuer are to be vouched by his initials, and all blanks crossed out, in order to prevent the subsequent insertion of any improper additions.

3rd. When several individuals are proceeding under one Warrant, the Paymaster should particularly warn the person having the custody of the Warrant that if all are not present at the Railway Station he should strike out of the Warrant the absentees, and thus prevent the liability of improper charges being made upon it.

If this duty is neglected, and any overcharge arises in consequence, it will fall upon the person in charge through whose neglect it has arisen.

4th. Before "Through Warrants" are issued, the issuers should ascertain, if possible, that the different railways concerned have traffic arrangements with each other, otherwise great inconvenience may arise from the refusal of any one of the railway companies to act upon Warrants beyond the limits of their own line. When any doubt exists upon this point, it will be better to issue separate Warrants for each portion of the journey.

5th. The issuers of Warrants are held strictly liable to clear up any discrepancies which, on the settlement with the railway company, are traceable to imperfect completion or improper use of the Warrant, and they will be held responsible for any excess of charge arising therefrom.

6th. The issue of Warrants for very trifling distances (less than ten miles), such as frequently happens, is not necessary, except for special reasons; and as it involves needless trouble in the settlement of such Warrants, the practice should generally be avoided.

JOHN ROBERT GODLEY.

To Paymasters and others.

Horse Guards, S.W., 5th August, 1858.

WITH a view to increasing the facility of providing Riding Masters, His Royal Highness the General Commanding in Chief desires that Officers commanding Regiments of Cavalry will each nominate one Non-commissioned Officer to be permanently attached to the Riding Establishment at Maidstone, for the purpose of being trained and qualified for that appointment.

The Non-commissioned Officers nominated are not to have less than five nor more than ten years' service; their names must never have been entered in the Defaulter Book; they must read and write well, and have a fair knowledge of arithmetic, and be active, zealous and intelligent, and thoroughly acquainted with field drill and troop duties.

CIRCULAR MEMORANDUM,

Addressed to the Army at Home and Abroad.

General No. 114, A.—44. | No. 1,907, Instruction, G. S. | Instruction of Musketry, 26.

Horse Guards, S.W., 6th August, 1858.

In reference to the Circular Memorandum issued from this Department on the 31st March, 1857, the General Commanding in Chief has desired that the accompanying copy of a further correspondence which has passed on the subject of the use of Regimental and Garrison Schools for Lectures by the Instructors of Musketry be published for general information and guidance.

These papers so clearly point out the necessity that exists for the occupation of the Schools for two hours daily when required by the Instructor of Musketry being so regulated as not to encroach upon the daily five or six hours for which (it will be seen) they are always wanted for the primary object for which they are provided, that His Royal Highness refrains from fixing the precise time of the day at which the Schools should be allotted respectively for scholastic and musketry purposes. While, however, the General Commanding in Chief prefers leaving these details to be settled on the spot, according to the circumstances of each locality, His Royal Highness will hold General Officers of Divisions and Stations, and Commanding Officers of Regiments, Depôt Battalions and Depôts, strictly responsible that the requirements of Troops, *under each head of Service*, shall in all cases be duly provided for.

By Command.

SIR, *Horse Guards, S.W., 28th April*, 1858.

Referring to the letter which you addressed to the Military Secretary on the 25th March, 1857, and to Circular (a copy inclosed) which was issued from this Department on the 31st of that month, I have it in command to acquaint you that it has been represented to the General Commanding in Chief that if the existing orders regarding the attendance in Regimental Schools of children and adults are carried out, the Schoolrooms cannot be made available for the use of the Instructors of Musketry, especially on rainy days, when out-door operations are prevented, and on which occasion a room is most essential to instruct and catechise the men in the theoretical principles of musketry in small arms.

I have accordingly received His Royal Highness' commands to request that you will acquaint me what are the usual School hours in the United Kingdom and on Foreign Stations, and what hours could be conveniently set apart for Lectures by the Instructors of Musketry in Regimental and Garrison Schoolrooms.

SIR, *War Office, S.W., 26th May*, 1858.

Having submitted your letter of the 28*th April* to the Secretary of State for War, I am directed by Major General Peel to request that you will assure His Royal Highness the General Commanding in Chief that he is most desirous of seeing such arrangements carried out at every Station as shall secure the utmost advantage

to the public service from the great expense incurred for several years past in providing School accommodation. Instruction in Musketry was not contemplated among the purposes for which Chapel and other Schools were first provided; but since the introduction of an improved weapon has led to fresh necessities, Major General Peel is fully disposed to accede to any proposition which can promote that important object, without retarding the general education of the Soldier, or of the children of the Non-commissioned Officers and Men in her Majesty's Service, in conformity with the School Regulations, and with ss. 5 and 6, p. 190, of the Queen's Regulations.

To effect this object without departing from the principle that attendance at School on the part of adults is voluntary, it will be necessary, first, to arrange the Musketry Instruction and ordinary afternoon parade or drill, so that they shall not be going on together; secondly, to require all adults whose names are on the School Books to attend the parade, unless they are at School, but to excuse those who are actually at School from the parade. Experience has shown that most young Soldiers prefer the School to drill. Taking advantage of this preference, and indulging it so far as the interests of the Service permit, the Commanding Officer would be enabled to arrange so that, on the one hand, the Instructor of Musketry should have a moderate command of the School accommodation, and, on the other, that the School should not suffer.

In reference to the particular question as to the hour at which the Schools are open, I am to enclose a statement which shows these hours as far can be gathered from recent reports. It will be seen that they are occupied by the children generally from nine a.m. to twelve, but that the afternoon is but partially employed. Should His Royal Highness concur in the general arrangements here proposed, I am to request that notice may be given to this Office previous to the issue of any General Memorandum on the subject.

I am, &c.,

The Adjutant General, Horse Guards. (Signed) B. HAWES.

Instruction 2,

(COPY.)

SIR, *School of Musketry, Hythe, 16th June, 1858.*

HAVING attentively perused the letter received from the War Office, with inclosures, herewith returned, covered by your letter of the 28th ultimo, and carefully considered the subject therein referred to, I have the honor to recommend that the Regimental Schoolroom be made available for the use of the Musketry Instructor of the Battalion daily, Sundays excepted, from half-past eight to half-past nine a.m., and from half-past one to half-past two p.m., which time, under ordinary circumstances, will answer for the purpose for which a room is required, and is indispensable.

When a Schoolroom is assigned to two or more Battalions, the time above specified will be quite inadequate, and as it cannot be occupied for a greater time without interfering with the School duties, it will be necessary, under such circumstances, to set apart a room for the purpose, or make some other arrangement.

While the use of the Schoolroom for about two hours daily will be ample under ordinary circumstances, I would inform His Royal Highness that, when the weather is such as to prevent out-door operations, the advantages of catechising the men in small parties, to ascertain their proficiency in the knowledge of the theoretical principles of musketry, and the method of cleaning and managing the rifle, would be lost by not having a separate room available as a Musketry Lecture or Instruction Room, which I am aware cannot at all times be set apart without curtailing the present accommodation.

The hours stated are those which I presume will least interfere with the more immediate object of the School duties, as well as with the other details of the course of Musketry Training, which I would observe are continuous, occupying from five to six hours daily in the execution of the several branches, which, if interrupted, will prolong the course, and keep the men longer from their other duties than is in my opinion desirable, and, if curtailed, will materially affect the efficiency, as regards rifle shooting, it is of so much importance for Infantry Soldiers to attain.

It is only by a strict observance of the detailed system which is clearly defined in the Circular Memoranda of the 1st January, 1857, and 26th February, 1858, that the

Digitized by Google

several exercises essential to lead to the dexterous and expert use of the rifle arm can be executed.

I know of no system or subject of training that has been introduced into the Infantry Service better calculated to promote the interest of the School than that of Musketry Instruction, which calls into exercise the thinking faculties of the men, and incites in them a desire to acquire the art of reading and the knowledge of other useful subjects, that they may understand this branch of their Military Training more perfectly. I have witnessed the greatest desire on the part of the men for opportunities for mental improvement, and feel convinced that the system under consideration supported and stimulated by the recent scheme for prizes for good shooting, will do much to increase the attendance at School.

In conclusion, I cannot too strongly urge that, in the erection of new Barracks or re-appropriation, a Musketry Lecture Room may be provided, so that this most important branch of the Soldier's training may be conducted without contraction or interruption.

SIR, *War Office, S.W., 17th July*, 1858.

IN reply to your letter of the *21st ultimo*, forwarding an extract from a letter from Colonel Hay respecting the use of Schoolrooms for the purpose of theoretical instruction in Rifle Practice, I am directed by Secretary Major General Peel to acquaint you, for the information of His Royal Highness the General Commanding in Chief, that, provided that three consecutive hours in the forenoon, or two in the forenoon and two in the afternoon, four in all, be given to the children, and not less than two hours, either forenoon or afternoon, be given to adults, there will be no objection to the appropriation of the Schoolrooms as proposed at such other hours as may be convenient. A clear quarter of an hour must, however, be allowed to intervene between the periods of the occupation of the rooms for School and Rifle Instruction.

With regard to Chapel Schools, Schoolrooms or other buildings used for purposes of Divine Worship, I am to state that Major General Peel cannot consent to their being appropriated under any circumstances to Instruction in Musketry, but will take immediate steps to ascertain the expense of providing separate accommodation for this purpose at Stations where, for the reasons already stated, such a course may be considered necessary.

REVISED INSTRUCTIONS

For carrying on the Volunteering from the Embodied Militia to the Regular Army.

Horse Guards, 20th August, 1858.

1. THE quota of Volunteers to be furnished by Regiments of Embodied Militia to be as fixed by the War Office Letter of the 19th instant.

2. The Men are to be permitted to extend their services to the Artillery, Engineers, Cavalry, Military Train, Foot Guards, Infantry of the Line and Marines. Men who shall desert before joining their new Regiments, those who join the Royal Navy, and disembodied Men enlisting, are not to count towards the quota of Volunteers.

3. When a Regiment is prepared, or is called upon by the General Commanding in Chief, to give volunteers to the Regular Army, the Officer commanding, under whose superintendence and control the measure *is to be exclusively carried out*, is to notify the same to the General Officer commanding the Division or District, who will detach to the Corps a Medical Officer of the Regular Army, not below the rank of Surgeon, for the purpose of examining the Volunteers, and certifying as to their fitness for active military service, and make the necessary arrangements for enlisting and attesting them in conformity to the terms of Mutiny Act.

4. The names of the Medical Officers, detached under paragraph 3, and the intended date of volunteering, are to be reported to the Adjutant General in sufficient time to admit of the same being communicated to the Artillery, Engineers, Foot Guards or Marines, and the volunteering is not to commence until receipt of an acknowledgement of such report. Nominal and descriptive returns of Volunteers for these Corps are to be furnished to their Head Quarters, and the Men are not to quit the Militia until notifications are received of their approval.

5. Medical Officers are to pay the strictest attention to the surgical examination of the Volunteers before they leave the Head Quarters of the Militia, and are to be particularly careful not to pass any man who is not fit for immediate and active service.

6. The standard for the Cavalry is specified in the margin [*below*]. No man is to be received for the Infantry of the Line under 5 feet 4 inches, or who is under 18 or above 30 years of age. The age, standard and qualifications of Volunteers for the Artillery,

Engineers, Foot Guards and Marines are to be specially ascertained by reference to those Corps.

7. While the volunteering is open, Commanding Officers are to afford every facility to the men in selecting the Regiments which they may wish to join, or which may be notified as most in want of recruits. With the exception of men employed as Orderly Room Clerks, Drummers, Bandsmen or Armourers, all are to have the option of extending their services, and in case of a Commanding Officer refusing to discharge any private, not employed as above, who may wish to join the Regular Army, he is to transmit his reasons for such refusal, in writing, to the General Officer commanding the District for reference to Head Quarters.

8. Married men, and men undergoing imprisonment by sentence of Court Martial, are not allowed to volunteer.

9. Non-commissioned Officers are not to be permitted to volunteer without special permission from their Commanding Officer, and they will only be accepted as privates.

10. Commanding Officers of Militia will take care that the Volunteers are regularly discharged, that their accounts are closed, that every just claim is satisfied, and the men are regularly enlisted as well as attested for the Corps to which they volunteer, in strict accordance with the forms prescribed by the Mutiny Act, for which purpose arrangements will be made for the attendance of an Officer of the recruiting service, whose duties will be strictly limited to passing the men into the service according to the established regulations—*after they come forward*—but he is in no respect to interfere with the *volunteering*. The necessary supply of attestations is to be obtained from the War Office.

11. The Volunteers are to be sent to their new Regiments in charge of steady Serjeants of Militia, or of the Regular Army, if they cannot be spared from the Militia. When circumstances render it advisable that the Volunteers for the Cavalry and Infantry of the Line should proceed to their respective destinations before routes can be obtained for their march, the Commanding Officer is to furnish the Serjeant, under whose charge they are sent, with the amount of railway fares (or, when necessary, give railway or passage warrants according to the War Office Regulations), and recover the money under authority of covering routes, for which he will make application to the Quartermaster General in the usual manner. In the case of men extending their services to Regiments in the same Garrison, or in the immediate vicinity, they are to be sent to their new Corps as soon as they are attested.

12. Volunteers will be entitled to the usual Bounty of 3*l.*, of which 10*s.* 6*d.* is to be handed to them, in cash, on attestation, the balance being duly credited, and paid to them on joining their new Regiments; and they will receive in addition an entire new kit.

13. As a further inducement to volunteer, the Secretary of State for War has been pleased to approve of all Volunteers being allowed to reckon one-half of their embodied Militia service, rendered while over the age of 18, as a part of Line service, to entitle them to pension and any other advantages, such as good conduct pay, &c., belonging to the Regular Army, provided they shall have completed six months' Militia service.

14. The Volunteers are to take with them their great coats, necessaries and such old clothing as can be furnished and may be requisite; but their new clothing, knapsacks and chakos are to be left at the Regiment; and when proceeding by steam vessels to or from ports in the United Kingdom, each is to be provided with a rug, as directed in paragraph 22, page 230, of the Queen's Regulations and Orders for the Army.

15. No fee or allowance beyond the usual travelling expenses and detention money will be granted to Medical or Recruiting Officers detached on this duty.

16. A sum of 10*s.* is granted by the Secretary of State for War to the Regiments of Militia for each Volunteer actually joining the Regular Army, and it is to be distributed as suggested in the War Office Circular of the 22nd June, 1854.

signify their wish to the Captains of Companies, and are to fall out at morning and evening parade.

18. As soon as the volunteering is over, the Medical and Recruiting Officers are to return to their respective Stations, and a return according to the annexed Form, No. 1, showing the number of men released from their Militia engagement, and the Corps for which they volunteer, is to be transmitted to the Adjutant General of the Forces through the General Officer commanding the District, for the General Commanding in Chief's information.

19. If the required number of Volunteers is not furnished at once, the volunteering is to be subsequently re-opened until the quota is complete, and weekly returns of the Volunteers who actually join, and are finally approved for the Regular Army, are to continue to be transmitted by Embodied Regiments to the Adjutant General every Saturday, according to the accompanying Form, No. 2.

20. The money required by Commanding Officers for the payment of bounties, for forwarding the Volunteers to their destination, and for their subsistence while on route, is to be drawn and accounted for according to the instructions issued from the War Office.

CIRCULAR MEMORANDUM,

Addressed to the Army at Home and Abroad.

General No. 120, A.—48. Arms, 25.

Horse Guards, S.W., 31st August, 1858.

In consequence of its having been represented to the General Commanding in Chief that it has been discovered during the recent examination of the Arms of Regiments and Depôts of Infantry, with a view to the exchange of those of the 2nd Class, that in some cases the firelocks have been damaged by the barrels and locks, after having been removed from the stocks for the purpose of being cleaned, not being properly screwed home again, the consequence of which is stated to be, that the heads of the rifles become broken, and the lock-plates displaced during ball practice, His Royal Highness desires that, in addition to the directions regarding the "Cleaning of Arms" at page 100, par. 36, of the Queen's Regulations, and at page 10, par. 18, of the Book of "Instruction of Musketry," the following rule be strictly adhered to, viz.:—

In every Troop and Company throughout the Army the Non-commissioned Officers, and such intelligent Soldiers as may be entrusted with the necessary implement for the purpose, are to be instructed *by the Serjeant Armourer* in the mechanism and construction of fire-arms, so as to enable them to take them to pieces when necessary; and no Soldier is on any account to be allowed to dismount a firelock until he has been officially certified by the Instructor of Musketry as capable of doing so accurately and efficiently.

By Command.

W. F. FORSTER,
Deputy Adjutant General.

CIRCULAR MEMORANDUM,

Addressed to the Army at Home and Abroad.

General No. 121, A.—49. Gratuities, 6.

Horse Guards, S.W., 11th September, 1858.

His Royal Highness the General Commanding in Chief desires that the following Regulations be observed by Courts Martial, in the place of those promulgated in the Circular Memorandum of the 12th July, 1858 (General No. 107—A.—38—Gratuities—5), which is hereby cancelled:—

On all occasions when a Court Martial shall abstain from sentencing an offender convicted of disgraceful conduct, under the 28th Clause of the Mutiny Act, to forfeiture of all advantage of additional pay, good conduct pay or pension on discharge, which might have otherwise accrued from the length of his former service, or to forfeiture of his medals granted for service in the Field, or of the medal and annuity for meritorious service, or the medal and gratuity for long service and good conduct, their reasons for so abstaining may be recorded in a separate letter, which is to be signed by the President, and attached to the proceedings of the Court.

The Court will previously satisfy itself, by the receipt of evidence, whether the prisoner be in possession of any of the above rewards; such evidence to be recorded immediately after the evidence to character.

CIRCULAR MEMORANDUM,

To General and other Officers commanding Troops and to Officers commanding Royal Artillery at Home and Abroad.

General No. 115, B. 36. — Instruction of Musketry, 27.

Horse Guards, S.W., 7th August, 1858.

THE Secretary of State for War having, by letter dated War Office, 7th June, 1858 (55—Artillery—378), been pleased, on the recommendation of His Royal Highness the General Commanding in Chief, to approve of an increased scale of small arm ammunition being issued for the instruction of Recruits and the annual practice and exercise of the Non-commissioned Officers and Gunners of the Royal Artillery, the same is notified for general information, in reference to "The Queen's Regulations and Orders for the Army," pages 105 and 106.

Demands for the increased quantity for the present year's practice and exercise (according to the scale at page 4) are to be prepared and sent by Officers in command of Artillery, if *at home* to the Adjutant-General of the Forces, and if *abroad* to the Officer commanding the Troops at the Station.

The General Commanding in Chief, being desirous that full advantage be taken of the additional means thus afforded of instructing and maintaining the efficiency of Artillerymen in the use of the small arm with which they are equipped, desires that the following Regulations which have been drawn up on the subject be strictly adhered to, and General and other Officers in command of Troops will be pleased to afford Commanding Officers of Artillery every facility for carrying out the same.

The result of the small arm practice of each Troop, Field Battery and Company is to be recorded in the Confidential Reports according to the prescribed form.

REGULATIONS

TO BE OBSERVED IN THE TRAINING OF NON-COMMISSIONED OFFICERS, GUNNERS, AND RECRUITS OF THE ROYAL ARTILLERY TO THE USE OF THE RIFLE CARBINE.

1. The system detailed in the Book of Instructions of Musketry of 1st January, 1856, for rifle training, to be observed in the instruction of the Recruits on joining, and of the Non-Commissioned Officers and Gunners annually, in the use of the rifle carbine.

2. The course of preliminary instruction, which must invariably precede practice, and through which every Recruit before he joins for duty and every Non-Commissioned Officer and Gunner of the Corps is to be exercised annually, is to consist of the following exercises or drills:—

1st. Cleaning Arms.
2nd. Theoretical Principles.
3rd. Target Drill { Aiming Drill. Position Drill.
4th. Judging-distance Drill.
5th. Manufacture of Cartridges.

For Recruits only, in addition to the above:—

6th. Snapping Caps.
7th. Blank Firing.
8th. Preliminary Ball Firing.

3. The course of Target practice is to consist of *two "periods"*—of individual firing, in each of which 20 rounds are to be expended; and *volley firing*, in which 10 rounds are to be expended.

4. With a view to stimulate individual exertion and a spirit of emulation, the two periods of individual firing to be executed as follows:—

1st Period.—All men to fire four rounds at every distance of 50 yards from 100 to 300 yards inclusive. At the conclusion of the "period," all men who have obtained 13 points and upwards to be classed as 2nd class shots, and those who have not obtained 13 points to be classed as 3rd class shots.

2nd Period.—In this "period" the men will fire in two classes, viz. as 2nd class and 3rd class shots. The 2nd class to fire five rounds at every 50 yards, from 150 to 300 yards inclusive, at a *single target 6 feet × 2 feet*, the 3rd class shots to repeat the

practices detailed for the "1st period." At the conclusion of the "2nd period" a final classification will be made, when all men firing in the 2nd class who have obtained 13 points and upwards are to be classed as 1st class shots; those men of the 2nd class who have not obtained 13 points, together with those men firing in the 3rd class "2nd period" who have obtained 13 points and upwards, are to be classed as 2nd class shots; and all men who have not obtained 13 points in firing in the 3rd class "2nd period" are to be classed as 3rd class shots.

5. The volley firing to be executed at 300 yards, in double ranks, close files, front rank kneeling.

6. All men remaining in the 3rd class at the final classification, to be further exercised through a course of "target drill," snapping caps, and blank firing, at such times as will least interfere with their other special duties during the winter months.

7. The judging-distance practice in the 1st and 2nd periods, as laid down in the book of Instructions of Musketry, to be executed without modification.

8. The following quantity of ammunition will be supplied for Rifle Training on requisition in the usual manner:—

Exercises.	For each Recruit.			For each Soldier annually.

9. As the organization of the Regiment of Royal Artillery differs from that of a Battalion of Infantry, and as their special duties will only allow of Recruits and Gunners being taken for Rifle Instruction *for a short period*, the following modification of the mode of proceeding detailed in the Circular Memorandum dated Horse Guards, 1st January, 1857, is necessary to give effect to the foregoing regulations.

10. The Officers of each Company and Company Serjeant are to be so grounded in the course of instruction by the regimental instructors, as to be able to conduct the annual course of rifle drill and practice of their Company when detached from Head Quarters.

11. The annual course of instruction to be commenced on the 15th March, except in the Mediterranean and tropical climates, where it will be commenced in September.

12. The Company Serjeant, or in his absence from the Company the Senior Serjeant, to be appointed Company Instructor.

13. All the Non-commissioned Officers of every Company are to be exercised through a course of preliminary drills before the instruction of the Companies annually is commenced, in order that they may be prepared to assist in the execution of the said drills in the Companies with which they are to practise.

14. At Head Quarters two Companies are to be struck off duty at a time for Rifle Instruction for a fortnight, and employed daily as detailed in paragraph 18.

15. Companies detached are to be handed over for instruction by parties of not less than a fourth of the entire strength at a time, and not more than one half.

16. Recruits are to be handed over for Rifle training as soon as possible after they have learned their elementary marching and carbine drill, viz. six weeks after joining the Head Quarters of the Regiment.

17. The number of Recruits to be handed over to the Instructor of Musketry at a time must be regulated entirely according to the number present at Head Quarters; the squad, however, is never to exceed 240 men, and not to be less than 20; half being employed at drill and half at practice.

18. The men handed over for Rifle training are to be employed daily, as follows, in order that they may be kept as short a time as possible from their other important and special duties:—

19. By the foregoing detail it will be seen that if the instruction of the men is not interrupted, the training of Recruits may be completed in sixteen working days, and the annual course of drill and practice of the Companies in twelve.

20. The returns, to record the several exercises and practices of the men, as prescribed in the Musketry Regulations, and which are to be obtained on application to the War Office, are to be used in the Rifle Instruction of Recruits and Companies of Artillery, and prepared in the manner detailed in those Regulations.

21. The monthly progress returns and the annual practice returns are to be transmitted at the periods directed in the Book of Instructions of Musketry to the Inspector General of Instruction.

22. Such parts of the instructions contained in the Circular Memorandum, 1st January, 1857, and of Circulars subsequently published from this Department as are not superseded by these Regulations, will apply in the Rifle Training of the Royal Artillery.

CIRCULAR MEMORANDUM,

Addressed to Officers commanding Regiments and Depôt Battalions in Great Britain.

General No. 122, B.—38. Discharges, 2.

Horse Guards, S. W., 14th September, 1858.

THE attention of the General Commanding in Chief having been directed to the fact that Soldiers who are anxious for their discharge after 21 years' service,* but who are not medically unfit, are frequently sent to Chatham with alleged disabilities of a vague and unsatisfactory nature, under the erroneous idea that such Soldiers must be accounted invalids in order to their discharge, His Royal Highness desires to explain to Officers commanding Regiments and Depôt Battalions in Great Britain that all Soldiers, who, not being unfit for duty, wish for their discharge after 21 years' service, may receive it at their Corps as a matter of indulgence, which must be applied for to the proper authority in the regular manner.

None but Soldiers *bonâ fide* disqualified by actual disability, whatever be their service, are to be brought forward for discharge as invalids and sent to Chatham.

Medical Officers will be held responsible for the proper discharge of their duty in this respect.

By Command.

G. A. WETHERALL,
Adjutant General.

THE VICTORIA CROSS.

THE following Officers and Men have been awarded the above Decoration in addition to those whose Names were published in "*The Monthly Army Lists*" for March, June, July, October and December, 1857, and January, February, May, July and September, 1858.

War Office, September 3rd.

THE QUEEN has been graciously pleased to signify her intention to confer the Decoration of "The Victoria Cross" on the under-mentioned Officer and Soldier, who have been recommended to her Majesty for that Decoration on account of acts of bravery performed by them in India, as recorded against their respective names, viz.:—

4th Beng. Nat. Inf.—Lieutenant (now Captain) FREDERICK ROBERTSON AIKMAN.—Date of act of bravery, 1st of March, 1858.

This officer, commanding the 3rd Sikh Cavalry on the advanced picket, with 100 of his men, having obtained information, just as the force marched on the morning of the 1st of March last, of the proximity, three miles off the high road, of a body of 500 rebel infantry, 200 horse, and two guns, under Moosahib Ali Chuckbdar, attacked and utterly routed them, cutting up more than 100 men, capturing two guns, and driving the survivors into and over the Goomtee. This feat was performed under every disadvantage of broken ground, and partially under the flanking fire of an adjoining fort. Lieutenant Aikman received a severe sabre cut in the face in a personal encounter with several of the enemy.

Beng. Horse Art.—Gunner WILLIAM CONNOLLY.—Date of act of bravery, July 7th, 1857.

This soldier is recommended for the Victoria Cross for his gallantry in action with the enemy at Jhelum, on the 7th of July, 1857. Lieutenant Cookes, Beng. Horse Art., reports, that "about daybreak on that day I advanced my half troop at a gallop, and engaged the

enemy within easy musket range. The sponge-man of one of my guns having been shot during the advance, Gunner Connolly assumed the duties of 2nd sponge-man, and he had barely assisted in two discharges of his gun, when a musket ball, through the left thigh, felled him to the ground. Nothing daunted by pain and loss of blood, he was endeavouring to resume his post, when I ordered a movement in retirement, and though severely wounded, he was mounted on his horse in the gun-team, and rode to the next position which the guns took up, and manfully declined going to the rear when the necessity of his so doing was represented to him. About 11 o'clock a.m., when the guns were still in action, the same gunner, while sponging, was again knocked down by a musket ball striking him on the hip, thereby causing great faintness and partial unconsciousness, for the pain appeared excessive, and the blood flowed fast. On seeing this I gave directions for his removal out of action ; but this brave man, hearing me, staggered to his feet, and said, 'No, Sir, I'll not go there while I can work here;' and shortly afterwards he again resumed his post as sponge-man. Late in the afternoon of the same day my three guns were engaged at 100 yards from the walls of a village with the defenders, viz. the 14th Nat. Inf., mutineers, amid a storm of bullets, which did great execution. Gunner Connolly, though suffering severely from his two previous wounds, was wielding his sponge with an energy and courage which attracted the admiration of his comrades, and while cheerfully encouraging a wounded man to hasten in bringing up the ammunition, a musket ball tore through the muscles of his right leg; but with the most undaunted bravery he struggled on; and not till he had loaded six times did this man give way, when through loss of blood he fell in my arms, and I placed him on a waggon, which shortly afterwards bore him in a state of unconsciousness from the fight."

CIRCULAR, No. 318.

War Office, 17th September, 1858.

REFERRING to the terms of article 5, page 59, of the Royal Warrant of 1st of July, 1848, regulating the issue of Provisions to the Wives and Families of Non-commissioned Officers and Men serving with Regiments abroad, Secretary Major General Peel has decided, with the concurrence of the Lords Commissioners of her Majesty's Treasury, that the same indulgence shall, in future, be extended to the full number of Soldiers' Wives who, under the terms of Circular 234, dated 19th March last, are permitted to reside with their husbands in Barracks, viz.:—

The wives of Staff Serjeants.
The wives of two Serjeants per Troop or Company; and
Four wives per Troop or Company of sixty rank and file; or
Six wives per Troop or Company of one hundred rank and file.

Free passages, with the Regiment, will also be granted for these numbers to and from Foreign Stations.

When, however, under the Royal Warrant referred to, wives are permitted to accompany a Regiment abroad, in the proportion of twelve women for every one hundred men, that number will still be reckoned as inclusive of all ranks, and the extension, herein notified, will not apply.

APPLICATIONS FOR TONNAGE.

War Office, 18th September, 1858.

THE Lords Commissioners of the Admiralty having requested that arrangements should be made so that applications for tonnage should be transmitted through one channel of communication, in order to limit as much as possible the number of applications for the same Station, Secretary Major General Peel has directed that all applications are to be made in accordance with the following rules:—

1. All applications for tonnage are to be sent to the Store Branch, for communication to the Transport Office.
2. Applications for tonnage to the same Station are to be consolidated, as much as the service will allow.
3. The Stations are to be inserted in alphabetical order, and the name of the port stated at which the stores are to be delivered.
4. The amount of tonnage is to be stated in tons and feet, not in tons and fractional parts as 5 21-40, or 5 12-20.
5. In any case where it should be desirable to recommend the appointment of a particular vessel, clear and satisfactory reasons for so doing should be stated.

6. All stores are to be consigned to the Officers of the Military Store Department at the Station, and the bills of lading to be made out accordingly.

7. The counterpart bill of lading for the consignee is in every case to be forwarded to the Store Branch, at Pall Mall, for transmission.

7. The only deviation from the above rates will be in the case of the two senior clerks in the office of the Deputy Adjutant General of Artillery at Head Quarters, who will be considered as 1st Class Clerks, but permitted to retain their present rates of extra pay of 4*s.* and 3*s.* a day respectively, but without further increase.

On Foreign Service the selection will be similarly made from Regiments or corps serving within the command; but the Non-commissioned Officer or soldier so selected, whether at home or abroad, must undergo a qualifying examination in the subjects above mentioned, and a probationary trial of three months; if then found fully competent to undertake the duties of the appointment, his name, in the case of a Home Station, must be transmitted to the War Office for final decision; in that of a Foreign Station, the confirmation of the appointment will rest with the General or other Officer commanding at the station, but such confirmation must be duly reported to the Secretary of State.

13. The service of a Soldier as Clerk will be allowed to reckon towards pension as Non-commissioned Officer; and such soldier, if removed from his appointment for irregularity or incapacity, shall be ordered to military duty with any Regiment then at the station, if abroad, or, if at home, to any Regiment in the United Kingdom.

14. As the foregoing regulations embrace the several provisions contained in Circulars 1,084, of the 13th January, 1851; 1,110, of the 2nd February, 1852; and 1,241, of the 6th November, 1856, such Circulars are hereby annulled.

15. If a Military Clerk on the completion of the period of service entitling him to a pension should be desirous of obtaining his discharge, he may, on the recommendation of the General commanding at the Station, and approval of the Secretary of State for War, be permitted to retain his Clerkship on the scale of pay laid down herein for Pensioner Clerks in addition to pension, but service as a Clerk subsequent to discharge will not give any claim to increase of pension.

Pensioners.

16. In the event of its being found impracticable or inconvenient to appoint a Soldier Clerk, a representation of the circumstances is to be transmitted for the consideration of the Secretary of State, who will then select a competent person to fill the appointment from amongst the pensioned Non-commissioned Officers of the Army.

CIRCULAR, No. 323.

War Office, 24th September, 1858.

THE Secretary of State for War directs that in future all Waggons and Carts of the Military Train shall be painted with one coat of paint and lettered annually, that the service be performed at the expiration of the summer season, and that, as a general rule, the work be executed by the Wheelers of the Corps.

When, however, it may be found absolutely necessary to employ other Soldiers or Workmen, in addition to the Artificers of the Corps (which would involve a claim for working pay), a special representation of the circumstances which render such employment indispensable is to be made to the Military Storekeeper at the Station, if at home, who will transmit it to the Under-Secretary of State for War, War Office, Pall Mall, and at Foreign Stations to the General Officer commanding the Troops, that the proper authority may be obtained previously to the expense being incurred.

Demands for the necessary materials, &c., such as Paint, Putty and Brushes, in the proportions annexed, are to be made on the Military Storekeeper, if the Battalion or Detachment be abroad; and, in order that he may be enabled to make a proper provision for this service, the Commanding Officer will furnish him early in October with a return of the Carriages, &c. to be painted, in the following financial year.

If the Battalion or Detachment be at a Home Station, the Commanding Officer will send his demand direct to the Colonel Commandant of the Corps, for transmission to the War Office.

To Storekeepers at Home and Foreign Stations on the subject of Defective Description of Stores given in Demands.

SIR, *War Office, 24th September*, 1858.

MUCH delay having taken place in some instances in the supplies of Stores, in consequence of the very defective manner in which the articles required are described in demands, and inconvenience to this Department having resulted therefrom, Secretary Major General Peel desires that attention may be paid to the absolute necessity of a full description being furnished of all Stores demanded, more especially of those of an unusual description, or which are new to the Service, drawings and dimensions being given in every instance where explanation may be necessary.

Assistant Director of Stores.

SIR, *War Office, 27th September*, 1858.

REFERRING to the Circular Letter from this Department, dated the 22nd April last, No. 68,393—52, which sanctioned the issue of the sum of 2*l.* to each soldier who, on the termination of his first period of service, should re-enlist for the further term of years required to complete a total service of 21 years in the Infantry or Artillery, or 24 years in the Cavalry, under the Acts named in the margin,* and which also provided that to each of the Soldiers so re-enlisting, who might be complete in necessaries, the sum of One pound (1*l.*) would be allowed in lieu of a new kit, I am directed by Secretary Major General Peel to inform you that he considers it expedient that certain modifications should be made in the provisions of the Circular above quoted, and that he has therefore decided that each Soldier who, after the 1st of October next, may re-enlist after the expiration of his first period of service of 10 years, shall be placed on precisely the same footing as a Recruit, and shall receive a free kit on re-enlistment; or, should he not require a fresh kit, he shall be paid the value of the kit: that of the Infantry kit being estimated at 3*l.* 3*s.*, and of the Cavalry kit at 6*l.* 12*s.*, horse appointments being deducted.

I have the honor to be, Sir,
Your obedient Servant,

The Officer commanding. JOHN ROBERT GODLEY.

SUCH wives of Soldiers, belonging to Regiments on service in India, as are within the prescribed establishment, and are now at their homes, and in receipt of a special allowance of sixpence a day each, while unable to be present with the Regiment, will be permitted to join their husbands on their return from India, and will be allowed, at the public expense, the necessary cost of their journey, either to the Head Quarters of the Regimental Depôt, or the Invalid Depôt, Chatham.

They should therefore be apprized, as early as possible, of the return of their husbands to England, in order that they may apply to the Paymaster at the nearest Military Station, who, after reference to this Office to verify the claim of the applicant, will be enabled to issue the necessary Passage or Railway Warrants and subsistence for the journey.

The allowance granted to the wives during the absence of their husbands will cease from the date of the return of the latter to this country, whether their wives rejoin them or not.

VICTORIA R.

WHEREAS we have judged it expedient to revise those parts of our royal Warrant of the 1st July, 1848, which regulate the grant of Staff and Garrison Pay to Officers serving on the general and personal Staff of the Army, our will and pleasure is, that on and after the date of this our royal Warrant, the issue of Staff or Garrison Pay to such Officers shall be governed by the following rules:—

STAFF AND GARRISON PAY.

OFFICERS HOLDING MORE THAN ONE MILITARY COMMISSION OR APPOINTMENT.

Present on Duty.

1. The pay granted to these Officers is strictly a remuneration for local services, and, except in the cases hereinafter provided, is not to be issued unless the Officer be present in the actual discharge of his duties on the spot.

2. The Staff Pay or Garrison Pay shall be issued quarterly, from the Treasury Chest abroad, and by warrant on her Majesty's Paymaster General, or through such other channel as may be authorized, at home. Appointments notified by Secretary of State for War not to be exceeded.—Emergency during War.

3. A list of the Staff and Garrison appointments borne on the Establishment of each Station abroad will be transmitted by the Secretary of State for War to the Officer in command, upon his appointment, for his information and guidance; and no appointment in excess of that establishment, nor any new appointment, is to be made in time of peace without the previous sanction of the Secretary of State for War; but as in time of war cases of emergency may occur to render indispensably necessary an appointment not specified in such list, in these cases the Officer in command shall transmit to the Commander in Chief and to the Secretary of State for War a special report of the circumstances which have created the necessity for the said appointment, stating also the proposed rates of pay and allowances, if any, and the time during which the appointment will in all probability be required.

Promotion without Increase of Pay.

4. If an Officer in command of a Station abroad, or District, &c. at home, should be promoted to a higher rank, and should for the convenience of the Service be retained in the same command, he shall not be entitled thereby to any increase of his Staff Pay and allowances, and shall not be allowed any addition to his personal Staff in consequence of such promotion.

Quarterly Returns.

5. At the expiration of every quarter, Returns of Staff or Garrison Officers abroad, according to Forms to be furnished by the War Office, shall be regularly transmitted to the Secretary of State for War by the several Officers in command. Similar Returns of the Staff at home will be furnished by the Adjutant General of the Forces.

ISSUE OF STAFF OR GARRISON PAY ON FIRST APPOINTMENT.

Date of Commencement of Pay Abroad.

6. When the Officer is present on the Station abroad, his pay shall commence from the date of his appointment being announced in General Orders.

When the Officer is not present on the Station, his pay shall commence from the date of embarkation for such Station, whether proceeding thereto from the United Kingdom or from any place abroad where he may be doing duty with his Regiment, or where he may be employed in any other military capacity.

Date of Commencement of Pay at Home.

7. The pay of an Officer appointed at home shall commence from the date he assumes the duties of the appointment.

ADVANCE PAY ON EMBARKATION FOR A FOREIGN STATION AND SETTLEMENT OF PAY ON RELIEF OR REMOVAL THEREFROM.

Advance Pay.

8. Upon embarkation from the United Kingdom the Officer will receive an advance of pay for the periods prescribed for Regimental Officers, or, if proceeding from one Foreign Station to assume his Staff duties at another Foreign Station, he will receive such advance as the General commanding at the Station from which he proceeds may authorize, subject in both cases to the regulated deduction for messing or for rations. The Staff Pay at the Station where the Officer is to serve will commence at the expiration of the period for which the advance had been made; but no issue will be allowed until he has produced a certificate from the accountant through whom he received the advance showing the date to which the same extends.

Settlement of Pay.

When an Officer is relieved or removed from his Staff appointment he will be settled with on arrival at his destination, on production of his last pay certificate and such other documents as may be necessary.

Leave of Absence.

No Pay when absent on Leave, except as in Article 2.

9. When an Officer quits the Station upon leave of absence for his private affairs, except as specially provided in Article 2, his pay shall cease from the date of his leaving the Station, and shall re-commence only from the date of his return thereto.

Sick Leave.

10. If he come home on account of ill health on the recommendation of a Medical Board, his pay shall continue to the date of arrival in the United Kingdom; or if under similar circumstances he proceed to another Foreign Station, his pay shall in like manner be continued to the date of his arrival at such Station.

On Removal or Discontinuance from the Staff or Garrison Appointments.

Return Home on Termination of Duty.

11. If the Staff attached to a body of Forces employed on foreign service be broken up entirely in consequence of the recall of the Troops, every Officer of such Staff *who returns home therewith* shall be allowed Staff Pay till the date of his arrival with the said Forces in the United Kingdom, and upon such arrival a gratuity equal to two months' Staff Pay; but if any such Officer shall remain abroad for his own convenience after the departure of the said Forces, he shall receive the pay of his appointment to the date only of his ceasing to do duty, with a gratuity equal to two months' Staff Pay.

Abolition of Appointment.

12. On the abolition of a Staff or Garrison appointment, the Officer who has held it, if not belonging to a Regiment serving on the same Station abroad or in the same District, &c. at home, and if not holding any other Staff or Garrison appointment, shall receive a gratuity equal to two months' pay beyond the date of his ceasing to do duty, or date of disembarkation from a Foreign Station, if he return home or proceed elsewhere to join his Regiment without delay.

Expiration of Period of Appointment.

13. An Officer removed from a Staff appointment in consequence of the period fixed by regulation for holding such appointment having expired, or having retained such appointment longer than the prescribed period, will be entitled to pay to date of disembarkation, but will not be allowed the gratuity referred to in the preceding article.

Discontinuance for Misconduct.

14. An Officer who shall be discontinued from his Staff or Garrison appointment for misconduct shall not receive pay beyond the day when he shall cease to do duty.

Resignation.

15. An Officer who shall resign his Staff or Garrison appointment, or who shall be removed therefrom by promotion, shall not receive pay beyond the day when he shall cease to do duty. If he be serving abroad, and does not belong to a Regiment on the Station, and uses due diligence in effecting his return home, or in proceeding to join his Regiment elsewhere, he shall receive pay to the date of disembarkation.

Personal Staff.

Peculiarity of their Appointments.

16. The appointments on the Personal Staff of a General Officer are,—Military Secretary or Assistant Military Secretary and Aide-de-Camp. No pay can, however, be allowed for appointments on the Personal Staff of a General Officer, unless they are authorized by his letter of service, or have been specially sanctioned by the Secretary of State for War. As Officers of the Personal Staff differ from other Staff Officers, they being appointed by the General himself, and holding their situations during his pleasure, the grant of Staff Pay and allowances to them is regulated upon the principle that the charges to which the public are liable are pay and allowances for local

service, together with free passage, if proceeding abroad, of the Officers appointed by the General in the first instance, and of those who return home upon his removal or death.

Issues of pay, &c. to the Personal Staff at home and abroad are accordingly to be governed by the following rules:—

When accompanying the General Officer Abroad.

17. If an Officer of the Personal Staff accompanies his General to a Foreign Station, the commencement of his pay and the advance of his pay will be governed by the rules that would be applicable to the pay of the General if allowed Staff Pay.

When not accompanying.

18. If upon his first appointment the General shall select an Officer who cannot accompany him abroad, or if, in succession to a death vacancy, he shall appoint an Officer not serving on the Station to be a member of his Personal Staff, the issue of the pay and advance of pay to such Officer shall be governed by the rules laid down in Articles 6 and 8.

Pay at Home.

19. The pay of an Officer appointed at home shall commence from the date he assumes the duties of his appointment.

Voluntary Resignation, Leave, &c.

20. Officers on the Personal Staff who voluntarily resign or obtain leave of absence, except under the provisions in Article 2, which are equally applicable to the Personal Staff as to the General Staff, or are removed at the discretion of the General Officer, and Officers appointed to succeed them, shall only receive Staff Pay while actually performing duty on the Station.

Resignation from Ill Health, &c.

21. If an Officer of the Personal Staff resigning on account of ill health, duly certified by a Medical Board, or removed for misconduct, is succeeded by an Officer not serving on the Station or in the District, &c., the pay of the successor, if proceeding abroad, shall commence from the date of embarkation; if the succession be to an appointment at home, the pay shall commence from the date of assuming the duties.

Military Secretary, when allowed.

22. A Military Secretary abroad is allowed only on Commands of importance requiring the services of a General Officer on the Staff, with an appointment superior to that of a Major General.

On other Commands abroad, where the General Officer holds a Staff appointment as Major General, an Assistant Military Secretary only is allowed, notwithstanding such Commands may, for the convenience of the Service, be held by General Officers of superior rank.

Military Secretaries at home are allowed only to the Commander in Chief of the Army and to the Commander of the Forces in Ireland.

Military Secretary provisionally continued.

23. When, upon the death or discontinuance of a General Officer abroad, a Military Secretary or Assistant Military Secretary remains at the Station in the provisional execution of his official duties, he shall continue to receive the pay and allowances of the appointment until relieved by his successor; and if (his Regiment not being on the Station) he shall then return home, or proceed to join his Regiment at another Foreign Station, in consequence of his not being re-appointed, he shall receive pay to the date of disembarkation in the United Kingdom, or at the other Foreign Station to which he may have proceeded.

Returning Home on Death of General Officer.

24. If upon the death or removal of the General Officer abroad the Military Secretary or Assistant Military Secretary does not belong to a Regiment on the Station, and does not remain there, he shall be entitled to pay to the date of disembarkation in the United Kingdom, or at another Foreign Station where he may have proceeded to join his Regiment.

Aide-de-Camp.

25. The pay allowed for Aides-de Camp shall be issued to themselves, and shall be granted for such numbers only as each General Officer may be authorized by his letter of service to appoint, not exceeding in any case the following numbers:—

	Aides-de-Camp.
Commander in Chief	6
Commander of the Forces (commissioned as such) ...	4
General	3
Lieutenant General	2
Major General	1
Brigadier General, if employed in active operations in the field, but not otherwise	1

Extra Aide-de-Camp.

26. No extra Aide-de-Camp shall be appointed, except in time of war and in cases of emergency, without the previous sanction of the Commander in Chief and Secretary of State for War.

If an extra Aide-de-Camp be sanctioned, the usual allowances of an Aide-de-Camp, but no pay, may be issued to him.

Pay to Date of Death or Discontinuance of General Officer, and on Passage Home.

27. When from the death or discontinuance of a General Officer an Aide-de-Camp ceases to belong to the Staff, he will be allowed pay only to the date of such death or discontinuance; but provided he does not belong to a Regiment on the Station, if serving abroad, or does not remain there from choice, he will receive pay to the date of disembarkation in the United Kingdom, or at another Foreign Station where he may have proceeded to join his Regiment.

No Pay during Absence of General Officer.

28. If during the temporary absence of a General Officer from his command on leave or from ill health, his Aide-de-Camp remain at the Station or in the District, &c., such Aide-de-Camp shall not be allowed the pay or allowances of his appointment for the period of the General's absence, unless he do not belong to a Regiment serving on the same Station or in the same District, &c., in which case he may continue to receive allowances without pay during the General's absence.

Pay of these Officers.

29 If a General Officer or a Colonel on the Staff in command of a Station, District or Encampment at home or abroad shall die, or not be within the limits of the Station, an Officer of inferior rank temporarily succeeding to such command shall, provided he does not receive any salary as Governor or Lieutenant Governor, be allowed the following daily pay, viz.:—An Officer being on the Staff, 10*s*., and a Regimental Officer not being on the Staff, if a Field Officer, 20*s*., and if below that rank, 10*s*., in addition to the pay of his own appointment,—less, in the case of an Artillery or Engineer Officer, the difference between 3*s*. a day, the Regimental Command Money of a Line Officer and the Regimental or District Command Pay of the Artillery or Engineer Officer.

Not entitled to an Aide-de-Camp.

30. But an Officer below the rank of General Officer so succeeding to a temporary command will not, except in cases of urgent necessity, be allowed to appoint an Aide-de-Camp, and no pay is to be issued to such Aide-de-Camp without the sanction of the Secretary of State for War.

Senior Regimental Officer acting.

31. Upon Stations abroad, where no provision is made for a General Officer or Colonel on the Staff, the senior Regimental Officer shall, in consideration of the responsibility attaching to that position, receive an allowance not exceeding 7*s*. 6*d*. a day, to be fixed by the Secretary of State for War, provided such Regimental Officer does not hold any Staff appointment, and does not receive any pay or allowances from the public other than those belonging to his Regimental Commission.

Temporary Staff Appointment.

32. When an Officer abroad (other than the Officer in chief command of the Forces) dies or does not receive Staff Pay in consequence of absence, the Officer in command will immediately notify to the Secretary of State for War the name of the individual appointed to act during the vacancy. At home the notification of any such temporary appointment will be made by the Commander in Chief; and the Officer so acting, whether at home or abroad, will, if he hold an inferior appointment on the Staff, be allowed to receive the *difference* between the pay and allowances of his own appointment and of the next in rank or situation above his own. If the Officer holds an equal appointment on the Staff, he will be allowed half the pay of the acting appointment.

If he be not an Officer on the Staff, he shall receive *half* the pay and *all* the allowances attached to the Staff appointment, until the arrival at the Station abroad, or in the District, &c., at home, of the Officer who is to succeed to the vacant appointment; but if the acting Officer should be confirmed in such appointment by the Commander in Chief of our Forces, he shall be allowed the full pay of that appointment from the date of such confirmation.

Allowance on Courts Martial.

33. On Stations where a Deputy Judge Advocate may not be serving on the Staff, whenever it shall be necessary to appoint an Officer to officiate in that capacity on a General Court Martial, he may receive an allowance not exceeding 2*l.* 2*s.* for each day of the actual sitting of such Court, and for any intervening Sundays, but not for more than two days in the whole, on account of the total number of adjournments during the said session.

The said allowance is not admissible for any day which has been occupied merely in preparing or reading over and signing the fair copy of the proceedings, nor for any Sunday or other day of adjournment intervening between the termination of one trial and the commencement of another.

The Officer thus officiating shall submit to the President of the Court Martial an account of the expenses incurred on the trial, for stationery, hire of rooms or other contingent charges; when, if the same shall appear to the President to be fair and reasonable, he shall give a Certificate to that effect, in order that the amount may be issued by the Military Accountant under an authority from the Officer in chief command on the Station.

CIRCULAR, No. 329.

SIR, *War Office, 30th September*, 1858.

THE Lords Commissioners of the Admiralty have brought under notice the instructions for the Officers of Her Majesty's Ships, which direct that the medical comforts required for Troops embarked should be obtained by the Paymaster of the Ship, and be issued by him from time to time on the requisition of the Medical Officer in charge of the Troops; and they have requested that directions may be

given that the supplies of medical comforts required from Army Stores by Her Majesty's Ships conveying Troops or Military Invalids may be placed in charge of the Paymaster of the Ship, who is accountable to their Lordships for the quantities remaining unexpended at the conclusion of the voyage; I am therefore to desire that in all such services you will act accordingly.

I am, Sir, your obedient Servant,

CIRCULAR, No. 330 (BARRACKS).

HOME AND FOREIGN STATIONS.

War Office, 1st October, 1858.

WITH reference to the existing Barrack Regulations [p. 27, Home], directing that the number of men to be accommodated in each room in Barracks shall be in accordance with the number for which the room has been duly appropriated, and that the surplus rooms shall be at the disposition and under the care of the Barrack Master;

Secretary Major General Peel, with a view to give effect at once, as far as lies in his power, to the recommendations of the recent Royal Commission on the Sanatory Condition of the Army, that each man in his Barrack-room shall have a minimum space of 600 cubic feet, and that each patient in Hospital shall have in temperate climates a minimum space of 1,200 cubic feet, and in tropical climates of 1,500 cubic feet, now directs that the operation of this Regulation be suspended whenever circumstances will permit.

In future, therefore, whenever from but partial occupation of a Barrack or Hospital it be possible, by spreading the men more generally throughout the Barracks, to allot to each man a greater cubical space than is now afforded, such extension is to be permitted to the extent necessary to afford the cubical space as above laid down.

Secretary Major General Peel further directs that whenever it shall appear probable that a diminished occupation of a room will be of any duration, Barrack Masters shall, on the requisition of Commanding Officers, remove from the room and receive into store all surplus furniture.

Nothing in these instructions is to be taken as a warrant for additional issues of lodging allowances, or of fuel or light, nor for altering the lettering on doors of rooms: and it is to be clearly understood that, whenever necessary, the accommodation of each room must revert to that hitherto recognized.

JOHN ROBERT GODLEY.

GENERAL ORDER, No. 715.

Horse Guards, S.W., 7th October, 1858.

THE proportion of Copper Caps issued with Ball Cartridges *for service* has been increased *to six for every four Cartridges.*

Copper Caps will henceforth be packed in small paper bags, containing fifteen each (the proportion for ten Cartridges), so as to prevent waste and facilitate the transfer of the Caps to the men's pouches.

By Command of HIS ROYAL HIGHNESS,
THE GENERAL COMMANDING IN CHIEF.

G. A. WETHERALL,
Adjutant General.

GENERAL ORDER, No. 544.

Horse Guards, S.W., 8th October, 1858.

AT a General Court-Martial held at Portsmouth on the 1st day of July, 1858, and continued by adjournments to the 8th of the same month, Ensign John James Scott, of the 47th Regiment, was arraigned upon the under-mentioned charges, viz.:—

First.—"For conduct to the prejudice of good order and military discipline, in having at Portsmouth, on or about the 30th day of May, 1858, when on the Sick Report and undergoing medical treatment, quitted his Barracks without the leave or authority of the Commanding Officer or the Surgeon of the 47th Regiment.

Second.—"For conduct unbecoming the character of an Officer and a gentleman, and to the prejudice of good order and military discipline, in the following instances.—

1st instance.—"In having, at Portsmouth, on or about half-past 10 o'clock, P.M., 30th day of May, 1858, in company with Ensign Dunne, 47th Regiment, entered the quarters of Ensign G. P. Pigott, of the Wexford Regiment of Militia, in Clarence Barracks, in his absence, upset his furniture and utensils, and otherwise disarranged his room, and caused the bedding to take fire.

2nd instance.—"In having, at Portsmouth, about 12 o'clock, P.M., same date as above stated, been drunk and disorderly in the George Hotel, and then and there otherwise misconducted himself."

Upon which charges the Court came to the following decision:—

"The Court having maturely weighed and considered the evidence in support of the prosecution, together with what the prisoner has urged in his defence, is of opinion that he, the prisoner, Ensign John James Scott, 47th Regiment, is guilty of the First Charge.

"With regard to the Second Charge, First Instance—that he, the prisoner, Ensign John James Scott, 47th Regiment, is guilty, with the exception of 'conduct unbecoming the character of an Officer and a gentleman,' and the words 'and caused the bedding to take fire,' of which it acquits him.

"With regard to the Second Charge, Second Instance—that he, the prisoner, Ensign John James Scott, 47th Regiment, is guilty, with the exception of the words 'and disorderly,' of which it acquits him.

"The Court having found the prisoner guilty of the First Charge, and of so much of the Second Charge as is above specified, which being in breach of the Articles of War, does now sentence him, the prisoner, Ensign John James Scott, 47th Regiment, to be severely reprimanded; and further, to be placed at the bottom of his regimental rank, and his name to appear immediately below Ensign George V. Boyd."

Her Majesty has been pleased to approve and confirm the finding and sentence of the Court.

His Royal Highness cannot allow the Officers of the Army to be led astray by a tacit acquiescence in such erroneous opinions as appear to have been entertained by the Members of this Court Martial.

He had hoped that since the publication of the Orders by the late Field Marshal Commanding-in-Chief, the disgraceful habit of practical jokes had been entirely discontinued.

Those Orders were personally delivered to, and acknowledged by, Ensign Scott.

on his first appointment to a Commission; his disobedience thereto was, therefore, unbecoming the character of an Officer; and to conspire with another for the personal annoyance of a brother Officer by entering his room uninvited, to upset his furniture and utensils and otherwise disarrange his room, can be designated by no other term than ungentlemanlike; neither, in the opinion of His Royal Highness, can it be otherwise than disorderly in an Officer to be drunk in an hotel, and then and there otherwise to misconduct himself.

His Royal Highness considers such conduct to be fitly described by the language of the charge, and he therefore recommends Courts-Martial to check, by adequate punishment, practices which a perseverance in cannot fail to affect the character of the Officers of the Army as gentlemen.

By Order of His Royal Highness,
The General Commanding in Chief.

G. A. WETHERALL,
Adjutant General.

GENERAL ORDER, No. 716.

Horse Guards, S.W., 15th October, 1858.

His Royal Highness the General Commanding in Chief is pleased to approve of General Officers commanding Districts and Divisions in Great Britain, and Officers commanding in Garrisons not included in any Military District, granting leave of absence to Officers, and furloughs to Non-commissioned Officers and Soldiers, under the following Regulations and Restrictions, viz.:—

1. Leave of Absence, granted under this Order to Officers, may commence as soon as the Half Yearly Inspection shall have been made. Furloughs granted to Non-commissioned Officers and Soldiers may commence from the first of the next month.
2. These indulgencies are to terminate on the 10th of March next, when, agreeably to Her Majesty's Regulations, all Officers and Soldiers are to be present with their respective Regiments and Depôts.
3. One Field Officer, one half of the Captains, and one half of the Subaltern Officers, are always to be present.
4. No Officer (except in the performance of Duty, or for the purpose of joining his Regiment) is to quit the United Kingdom without having first received Her Majesty's special permission, according to the Regulation on that head.
5. Officers employed on the Recruiting Service, or upon the Staff of the Army, are not to be included in the number hereby fixed for the constant duty of the Regiment or Depôt.
6. The applications for leave for Regimental Paymasters and Medical Officers are to continue to be made in the mode prescribed in the Regulations and Orders for the Army.
7. In cases of short leave of absence being requested by Adjutants, Riding Masters, Quarter Masters or Veterinary Surgeons of Regiments, it will be necessary that a special report shall be made as to the mode in which their duties are to be performed during their absence, and that the Commanding Officer is satisfied.
8. The proportion of Non-commissioned Officers, Trumpeters, Drummers and Private Men, to whom Furloughs may be granted, is not to exceed five per Troop or Company.

When Corps are not stationed in Garrisons or Military Districts, the Officers commanding are at liberty to use their discretion in granting the indulgence of leave of absence, under the foregoing restrictions, to the Officers and Soldiers under their command, reporting the same to the Adjutant General.

His Royal Highness expects that the General and other Officers, who are empowered to grant leave of absence under the provisions of this Order, will strictly confine that grant to the proportion of Officers herein specified.

This Order does not apply to the Second Battalions of Regiments now in progress of formation.

By Command of His Royal Highness,
The General Commanding in Chief.

G. A. WETHERALL,
Adjutant General.

MEMORANDUM.

FIELD OFFICERS *who have retired from the Service by the Sale of their Commissions, and wish their Names to be restored to and retained in the* ARMY LIST *in Italics, will be pleased, in their Applications for this Privilege to the General Commanding in Chief, to state the Dates of their last Commissions, Brevet as well as Regimental, and also that of their Retirements.*

HORSE GUARDS,
29th May, 1855.

ALL FIELD OFFICERS *whose names are allowed to be retained in the* ARMY LIST, *whether they may have sold out since or previously to the issuing of Her Majesty's Royal Warrant of the 6th October*, 1854, *shall send a Certificate to Her Majesty's Secretary-at-War of their being alive on the 1st January and the 1st July of each year.*

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

WARRANTS, CIRCULARS, &c.

57,
General No. 583. **CIRCULAR, No. 335.**

To commanding Royal Engineers at Home and Foreign Stations on the Subject of defective Description of Stores given in Demands.

War Office, 16th October, 1858.

THE Inspector General of Fortifications desires the particular attention of Commanding Royal Engineers to Section IX., Articles 8 and 16 of the Engineer Code, as much delay and inconvenience have taken place in some instances in the supplies of Stores, in consequence of the very defective manner in which the articles required are described in their demands.

For the Inspector General of Fortifications,

H. C. OWEN.

7,611,
285. **No. 336.**

VICTORIA R.

WHEREAS it has been represented to us by our Secretary of State for War that it is expedient to appoint our Council of Military Education to be Visitors of the Royal Military College; and also to amend so much of the Royal Warrant of the 27th May, 1808, for regulating the affairs of the said College, as relates to the appointment of Professors and Masters:—

Our will and pleasure is, that our Council of Military Education for the time being shall be appointed Visitors of the said Royal Military College, and that they shall frequently inspect the same, and report to the General Commanding in Chief of our Forces, upon the instruction therein given.

They shall moreover be competent to recommend to the General Commanding in Chief the removal of any Professor or Master whom they may consider to be, for any reason, unfit for the performance of his duties: but such Professor or Master shall not be removed except by the express orders of the General Commanding in Chief, with the concurrence of the Secretary of State for War.

It is our further will and pleasure, that when any vacancy shall occur among the Professors or Masters on the establishment of the said College, the Council of Military Education shall carefully investigate the merits of all Candidates who may be brought under their consideration, and shall recommend to the General Commanding in Chief, for the time being, the person whom they shall deem most eligible to succeed to the vacant appointment.

Given at our Court at St. James's, this first day of October, one thousand eight hundred and fifty-eight, in the twenty-second year of our reign.

By Her Majesty's Command.

J. PEEL.

55,
General No. 426. **CIRCULAR, No. 337.**

To Storekeepers at Home and Foreign Stations.

War Office, 27th October, 1858.

SECRETARY Major General Peel having approved of the proportion of Percussion Caps for *Service* Small Arm Ammunition being increased to six caps for four cartridges, or 150 caps to every 100 cartridges,

The same is communicated for the general information of the Military Store Department.

The Service Ammunition *at present in Store* being packed with percussion caps in the proportion of five to four cartridges, a sufficient number of spare caps is to be issued therewith to complete the proportion now sanctioned, and packed in empty barrels or zinc cylinders, *painted black*, and having the contents marked in *white letters*.

As the proper proportion of caps will shortly be packed in the barrels with the cartridges, Storekeepers and others issuing ammunition are carefully to observe from the writing on the outside the number of caps each barrel contains.

GEO. D. RAMSAY.

Dublin—2,
246. **CIRCULAR, No. 338.**

War Office, 30th October, 1858.

THE Inspector General of Fortifications desires that the execution of repairs by day work shall be discontinued, except where military labour is available, and in those rare instances where the extent of the repair cannot at first be ascertained, as when the interior of a pump or fire engine has to be repaired, or a drain to be opened, *at Stations where there is no resident member of the Royal Engineer Department.*

Day work must also be resorted to when a contractor refuses to accept a fair agreed price for work not coming under the Schedule.

In every other case the experience of many districts has proved that day work may be entirely dispensed with.

Most of the Schedules are now much more full than formerly, and there are few services which cannot be measured by them, either directly or by analogy.

Where analogy is resorted to, the actual kind and quantity of work must be stated in the bill (=) equal to a less or greater quantity of work on an analogous item of the Schedule.

When an agreed price is necessary, the analysis by which it is arrived at should be always stated in the margin of the Detail and initialed by the Inspecting Engineer Officer.

When it is not possible to make this analysis at the time of inspection, the price of that portion of the work which may not come under the Schedule may be agreed upon after the extent of the mischief is ascertained. This of course is often impossible where there is no resident member of the Department, and to such cases the exception in the first paragraph will apply and day work must be resorted to.

The Inspector General of Fortifications also wishes that, in all practicable cases, military labour should be paid for by measurement at half the Contract rates of the Station, as specified in Art. 12, sect. XVIII. of the Royal Engineer Code.

By Order.

H. C. OWEN,

Deputy Inspector General of Fortifications.

No. 339.

VICTORIA R.

WHEREAS, in pursuance of a Report of a Committee of Officers, our Secretary of State for War has recommended that certain alterations should be made in the existing organization of the Commissariat attached to our Forces, with a view to the more effectual supply of our Forces, whether in the field in time of war, or on Home or Colonial Service in time of peace; and we being pleased to approve thereof, our will and pleasure is that those parts of the Treasury Regulations of 1st March, 1852, which prescribe rules for the admission of Officers into our Commissariat Department, and for the employment, promotion, retirement, full pay, half pay, retired pay, designations and relative rank of such Officers, shall from the date of this our Royal Warrant be cancelled, and in lieu thereof the following Rules shall be established, by which our Secretary of State for War and our Commander in-Chief shall govern themselves in recommending Officers for admission, employment, promotion and retirement.

1. The duties of the Commissariat shall be superintended and directed by an Officer of that department, with the designation of Commissary-General-in-Chief, acting under orders from our Secretary of State for War.

2. The ranks of Commissariat Officers in our Army shall be as follows, viz. :—
Commissary General,
Deputy Commissary General,
Assistant Commissary General,
Deputy Assistant Commissary General, including a Probationary Class of Acting Deputy Assistant Commissaries General.

3. To be eligible for promotion, an Officer must have served on full pay during the following periods, dating from his first entrance into the Probationary Class :—
A Commissary General, thirteen years—and at least three years thereof as Deputy Commissary General.
A Deputy Commissary General, ten years—and at least two years thereof as Assistant Commissary General.
An Assistant Commissary General, five years.

4. All first appointments to the Commissariat shall be made from the Subalterns of our Army, provided a sufficient number of qualified Volunteers, duly recommended by their Commanding Officers, can be procured. Volunteers shall be of not less than two years' service as Commissioned Officers, and under twenty-five years of age: they shall be subjected to an Examination, and, if found competent, shall be placed on a List according to their merits, and in their order thereon shall be employed by the Commissary General-in Chief, under the authority of our Secretary of State for War, as their services may be required. These Volunteers shall be subjected to a probation of six months, with the rank of Acting Deputy Assistant Commissary General: at the termination of which period, if found competent, and still willing to serve in the Commissariat, they shall be required to resign their Military Commissions, and shall be furnished instead with Commissions as Deputy Assistant Commissaries General.

5. The establishment of the Commissariat shall be fixed, from time to time, on the same principle as that of our Army; and in order to furnish a reasonable preparation for war, it shall be maintained to such an extent as to provide suitable employment in peace for Officers, not only in the Colonies, but also at the several Camps and large Military Stations at home, according to the ordinary requirements of the Service.

6. In selecting Officers for promotion, provision shall be made for the advancement of those who have shown special aptitude for their duties, or have distinguished themselves by zeal and ability in the performance of them; but such selection shall be mainly guided by length of efficient service. The promotions in the Commissariat shall take place, as in other branches of the Public Service, as vacancies occur.

7. On reduction of the Establishment, the Junior Officers of the respective ranks shall be the first reduced; and on restoration to full pay, the reduced Officers who are senior in their rank shall be the first restored, except in cases in which a strict adherence to such rule would be manifestly detrimental to the Public Service.

8. In order to obviate the necessity for an undue augmentation of the Establishment in time of war, and the consequent inconvenience arising from a large reduc-

tion on the termination of hostilities, the Commissariat shall be allowed to avail itself of the temporary assistance that may be afforded by Officers drawn from our regular Army, or the half pay of our Army, to be selected under regulations which shall be framed for the purpose by our Secretary of State for War and our Commander in Chief, to act in the capacities of Assistant and Deputy Assistant Commissaries General. The Officers of our Army thus placed on the Commissariat Staff shall be considered supernumerary in their Regiments, retaining their proper places in their respective corps, and participating in regimental promotion as opportunities offer, but they shall be employed exclusively in the duties of the Commissariat, and shall not be at liberty to withdraw themselves from those duties, so long as their services may be required, except in cases of promotion to the rank of Field Officer in their Regiments.

9. The relative rank of the Commissariat Officers of our Army shall be as follows, viz.:—

Commissary General, as Major General,
Deputy Commissary General, of five years' standing, as Colonel,
Deputy Commissary General, under five years' standing, as Lieutenant Colonel,
Assistant Commissary General, as Major,
Deputy Assistant Commissary General, as Captain,
Acting Deputy Assistant Commissary General, as Lieutenant in the Army,

and their quarters and military allowances, including pensions for wounds, and allowances to their widows and families, shall be regulated accordingly.

10. The Commissariat shall be allowed to draw subordinates, such as clerks, storekeepers, issuers, butchers, bakers, &c., from the Soldiers of our Army, to be maintained permanently on the Commissariat Establishment, to the necessary extent. These subordinates, when they shall have been detached for a sufficient time on probation, shall be wholly withdrawn from their Regiments; but their names shall be retained on the Rolls as supernumeraries, in order that they may be sent back to their Regiments or Depôts, in case of misconduct or inefficiency. The individuals thus employed shall be occupied exclusively in the public duties of the Department and shall be appropriately clothed, and placed under the charge and direction of the Commissariat Officers wherever they may be employed, who shall be answerable for the discipline and regular payment of the men, whose places in their Regiments shall be filled up by Recruits.

11. The rates of Pay of the different ranks of the Department shall be regulated according to the following Scale:—

Scale of Full, Half and Retired Pay.

Rank.	Full Pay.		Charge Pay.	Half Pay.	Retired Pay.	Length of which in the Full Pay above mentioned Service to entitle to give a Claim to Retirement.	Age at which Officers are to be compulsorily superannuated.

2nd. That the Non-commissioned Officers of the above Corps, when unmarried or unaccompanied by their families, may be provided with passages in contract packets; but when married, will be allowed free passages for themselves and their families, provided they can be accommodated in troop or hired freight ships.

3rd. That the Non-commissioned Officers thus conveyed shall be subject to the usual stoppage for rations when on board ship.

CIRCULAR, No. 341.

SIR, *War Office, 12th November*, 1858.

I AM directed by the Secretary of State for War to point out to you that, in the event of the Regiment under your command being stationed in barracks during the period of training and exercise, care should be taken to provide for the payment of charges for wilful damages to barrack buildings, and for damages to and deficiencies of stores, at the marching-out inspection held by the Barrack Master in conjunction with the Officer appointed to hand over the barracks; for which purpose, I am to suggest that Volunteers, who may be liable to defray the expense incurred for such damages or deficiencies, should not receive the whole of their annual bounty at the termination of the training; but that a deduction from such bounty should be made, sufficient to defray the charges assessed by the Barrack Master, and the balance after payment thereof, if any, may then be remitted to the Volunteer. Volunteers may likewise be placed under stoppages of pay at any time during the training in anticipation of their being required to defray charges of the nature above specified.

I am at the same time to inform you that instructions have been sent to Barrack Masters to be careful to assess charges for such damages only as may be committed through obvious wilfulness or neglect, making every allowance for fair wear and tear; and whenever such assessment is made, the amount should be paid forthwith to the Barrack Master, any appeal against the sum which you may deem it proper to make being afterwards addressed to the Secretary of State for War.

I have the honor to be, Sir,
Your obedient Servant,

B. HAWES.

CIRCULAR MEMORANDUM,

Addressed to the Army at Home and Abroad.

General No. 138, A.—55.

Ammunition. 10.

Horse Guards, S.W., 4th November, 1855.

THE General Commanding in Chief has reason to believe that sufficient attention is not paid by Commanding Officers to the delivery of ammunition from the Regimental Magazine, and that this duty is too frequently delegated to Non-commissioned Officers.

Attention is therefore called to the "Queen's Regulations and Orders for the Army," page 107, on this subject, which direct that "the delivery of ammunition from the Regimental or Depôt Magazine is to be made by the Quartermaster to the Captains or Commanding Officers of Troops or Companies."

The Quartermaster will be held responsible that he so regulates this point of his duty as to prevent the necessity of entrusting the key of the Magazine to any subordinate authority.

By Command.

Adjutant General.

CIRCULAR MEMORANDUM,

Addressed to the Army at Home and Abroad.

General No. 132, A. 53.

Instruction of Musketry, 29.

Horse Guards, S.W., 12th October, 1858.

THE Secretary of State for War having drawn the attention of the General Commanding in Chief to the employment of a *paid* military "working party" for the purpose of repairing the butts for rifle practice on Southsea Common, His Royal Highness has had under his consideration the general subject of the employment of Soldiers in works of this nature, and has come to the conclusion that, as a general rule, they can be legitimately employed thereon as a strictly military duty, and without additional pay.

The General Commanding in Chief accordingly desires it to be understood that rifle practice butts are to be maintained and kept in repair by "*fatigue parties*;" in short, that all work in the formation of practice ranges, &c., such as the throwing up of butts for the targets to rest against, and levelling irregularities in the ground, should be executed by the fatigue labour of the Troops whenever the nature of the soil is such that it can be turned and moved with the ordinary entrenching tools furnished by the Engineer Department.

Adjutant General.

CIRCULAR MEMORANDUM.

RECRUITING DEPARTMENT.

Horse Guards, 12th October, 1858.

IT having been brought to the notice of the General Commanding in Chief that many irregularities, especially absence without leave and desertion, take place in new Corps, by the payment of the Bounty to men immediately after they have joined, it is desired that the last issue of Bounty be not paid to Recruits until they have had their hair cut, if required, and have been served with their clothing, which ought not to occupy more than three or four days.

CIRCULAR MEMORANDUM,

Addressed to the Army at Home and Abroad.

General No. 139, A.—56.

Forage, 1.

Horse Guards, S.W., 4th November, 1858.

An erroneous opinion seems to prevail, that when Officers are entitled to draw an allowance in lieu of forage, there is no necessity for keeping the number of horses for which they receive such allowance.

His Royal Highness desires such Officers to understand that neither forage nor an allowance in lieu thereof is to be drawn except for horses actually effective and *bonâ fide* kept for the public service, and that any breach of this regulation will be peremptorily and seriously dealt with.

By Command.

G. A. WETHERALL,
Adjutant General.

MEMORANDUM.

ARTIFICIAL ARMS AND LEGS.

THE Lords and others Commissioners of Chelsea Hospital having at the suggestion and recommendation of the Secretary of State for War, made Arrangements for the supply of Artificial Arms (constructed upon an improved principle) and of Artificial Legs (in imitation of the natural leg, both as to form and motion) to those Commissioned Officers who have been wounded in the Service, whose means may not enable them to provide themselves with more expensive contrivances,—it is hereby notified, that such Officers who may be desirous of availing themselves of this benefit, and whose cases may come within the above regulation, should address their applications upon the subject to the Secretary of Chelsea Hospital. It is, however, to be clearly understood, that, as this is intended to be a boon to Officers of the above description, no pecuniary allowance in lieu can be granted to Officers who may prefer providing themselves with other substitutes for limbs.
